Zo begint dit vierde boek van Cees de Vries over de trauma's van de tweede generatie over de oorlog, voornamelijk gevoed door zijn vader die hem op vierjarige leeftijd vreselijke beelden liet zien van onder meer concentratiekampen In dit boek beschrijft hij de periodes in zijn leven die gekenmerkt worden door tweede generatie oorlogstrauma en hoe hij dit alles een plaats weet te geven na toelating van alle emoties. Hij gaat samen met zijn zoon de kampen bezichtigen om alles te kunnen verwerken.

The King's Golden Beard Aug 24 2019 Who's to blame when a vain, heedless king meets his comeuppance? He is, of course! Fans of Tomi Ungerer's mischievous humor and Jon Agee's sly morality tales will be delighted by this hilarious read-aloud about a long, long beard and its short-sighted royal owner, by a popular Belgian illustrator, designer, and animation whiz. The lush, golden royal beard is a wondrous thing - especially to the king himself. He spends his days admiring and grooming it, and passes laws making it a crime punishable by death for anyone else's face to sport even a single hair. As the people of the kingdom nervously shave daily, the royal beard grows and grows until it appears at the palace's back gate. What happens next will have readers laughing along -- and cheering for the astronomers who, unlike the tyrannical king, know that the earth is round.

Silence Is My Mother Tongue Jun 02 2020 A sensuous, textured novel of life in a refugee camp, long-listed for the Orwell Prize for Political Fiction On a hill overlooking a refugee camp in Sudan, a young man strings up bedsheets that, in an act of imaginative resilience, will serve as a screen in his silent cinema. From the cinema he can see all the comings and goings in the camp, especially those of two new arrivals: a girl named Saba, and her mute brother, Hagos. For these siblings, adapting to life in the camp is not easy. Saba mourns the future she lost when she was forced to abandon school, while Hagos, scorned for his inability to speak, must live vicariously through his sister. Both resist societal expectations by seeking to redefine love, sex, and gender roles in their lives, and when a businessman opens a shop and befriends Hagos, they cast off those pressures and make an unconventional choice. With this cast of complex, beautifully drawn characters, Sulaiman Addonia details the textures and rhythms of everyday life in a refugee camp, and questions what it means to be an individual when one has lost all that makes a home or a future. Intimate and subversive, Silence Is My Mother Tongue dissects the ways society wages war on women and explores the stories we must tell to survive in a broken, inhospitable environment.
