[Sprint](#) Oct 30 2019 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER "Sprint offers a transformative formula for testing ideas that works whether you're at a startup or a large organization. Within five days, you'll move from idea to prototype to decision, saving you and your team countless hours and countless dollars. A must read for entrepreneurs of all stripes." --Eric Ries, author of *The Lean Startup* From three partners at Google Ventures, a unique five-day process for solving tough problems, proven at more than a hundred companies. Entrepreneurs and leaders face big questions every day: What's the most important place to focus your effort, and how do you start? What will your idea look like in real life? How many meetings and discussions does it take before you can be sure you have the right solution? Now there's a surefire way to answer these important questions: the sprint. Designer Jake Knapp created the five-day process at Google, where sprints were used on everything from Google Search to Google X. He joined Braden Kowitz and John Zeratsky at Google Ventures, and together they have completed more than a hundred sprints with companies in mobile, e-commerce, healthcare, finance, and more. A practical guide to answering critical business questions, *Sprint* is a book for teams of any size, from small startups to Fortune 100s, from teachers to nonprofits. It's for anyone with a big opportunity, problem, or idea who needs to get answers today.

[Interpersonal Skills at Work](#) Feb 24 2022 In this age of e-business, there is an increasing over-reliance on electronic communication and insufficient attention paid to the management of face-to-face relationships. In this fascinating text, John Hayes addresses this significant workplace issue by examining the nature of interpersonal skill: the goal-directed behaviours used in face-to-face interactions in order to achieve desired outcomes. He argues that interpersonal competence is a key managerial skill which can distinguish the successful from the unsuccessful. Providing a clearly structured and comprehensive overview of the interpersonal skills essential for effective functioning at work, this book presents a micro-skills approach to development that can be used to improve interpersonal competence, as well as explaining, through the use of illustrations and practical examples, how to read the actual or potential behaviour of those around us. This knowledge can then be used to guide the way in which we relate to others as we learn to manage our relationships more effectively. This book will be ideal for practising managers and students of business and management studies and psychology. The skills it promotes make it of great value for those in a wide range of professions (including teachers, doctors, nurses, social workers and police officers) in their everyday working environment.

[Skills for a Scientific Life](#) Jun 18 2021 Being, or wanting to become, a scientist requires academic training in the science subjects. To succeed as a research scientist and educator requires specific as well as general skills. *Skills for a Scientific Life* provides insight into how to be successful. This career book is intended for potential entrants, early career and mid-career scientists for a wide range of science disciplines. Features Offers advice on specific skills for research article writing, grant writing, and refereeing as well as teaching undergraduates and supervising postgraduates Provides helpful case studies resulting from the author's teaching and mentoring experience Contributes a special emphasis on skills for realizing wide impacts such as sustainability and gender equality Presents several chapters on leadership skills both in academe and in government service Concludes with an emphasis on the author's overall underpinning of the topics from the point of view of ethics

[Essentials of Communication Skill and Skill Enhancement](#) Sep 09 2020 For those who wish to learn or teach the tools of skillful communication, this book provides concrete insight into what makes a person a successful communicator and guides readers in ways to improve their own communication skills and those of others. Predicated on four simple notions – that communication can be done well or poorly, that communication skills matter, that people differ in those skills, and that those skills can be improved – the book helps readers identify and enhance their own communication strengths and address weaknesses, assess the communication skills of others, and coach others to improvement. Written in an accessible style, chapter highlights include an engaging review of the research on the practical implications of communication skills in our professional and personal lives. The nature of communication skill and issues in skill assessment are examined. Particular attention is given to understanding sources of communication-skill deficits and the design of effective communication-skill training programs. A final chapter examines the roles of technology, cross-cultural interaction, and aging as they relate to communication skill. This book is written for students and professionals in fields such as human resources, sales, training, counseling, customer relations, education, health-care, and the ministry, with application for courses in professional communication, applied communication, and communication skills at the undergraduate, advanced professional degree, and continuing education levels.

[Listening & Caring Skills](#) Dec 25 2021 The secret to leadership and transformation of a group--or of another person--is the quality of the relationship one person has with another. The effective group leader or counselor will be the person who learns how to listen to other people. By studying and employing listening skills, church leaders will engage others more compassionately, allowing them to feel that their needs are being met. These skills can be used with persons who are terminally ill, inactive at church, going through a divorce, in a family with a severely ill person, unemployed, seeking a new church, grieving, traumatized by catastrophe, going through teenage adolescence, in marriage counseling, or leading a ministry team. John Savage offers eleven specific and teachable listening skills for improving relationships among those who do ministry in small-group settings or when offering counsel to others. The skills are taught through oral exercises and unfailingly helpful examples from actual congregational situations. The skills include paraphrasing, productive questions, perception check, expression of feelings and emotions, fogging, negative inquiry, behavior description, and story listening.

[Studio Photography: Essential Skills](#) Dec 13 2020 Studio photography is a common career path for aspiring photographers and students but the professional and commercial nature of the field makes it a challenging area to break into. Whilst other introductory books on the subject are often bogged down with too much technical detail or too many 'show-off' shots, *Studio Photography: Essential Skills* offers a practical and accessible guide to the fundamental techniques for successful studio photography. Whether photographing a person or a product, you need control over the light, mood and look to arrive at the perfect result for a particular assignment. This book takes a commercial and creative approach and considers the important elements of lighting, exposure, capture, art direction and the studio setting to ensure a successful shoot. With a clearly structured learning approach and a wide variety of activities and assignments to inspire and engage you, this is an informative, stimulating guide to the basics. Broaden your skills and increase your earning potential with *Studio Photography: Essential Skills!*

[Sentence Skills With Readings](#) Jul 08 2020 Grounded in John Langan's Four Bases – unity, coherence, sentence skills, and support – *Sentence Skills with Readings* employs a unique personalized learning plan to address student deficits in grammar and mechanics and to free instructional time for activities emphasizing writing process and critical thinking. *Sentence Skills with Readings* offers students a practical guide to becoming better writers. College Writing Skills with Readings Jan 26 2022 From mastering the traditional five-paragraph essay and its variations to learning about the finer points of grammar and punctuation, this title empowers students to take control of their writing and put it to work for them. It brings writing closer to students and helps to take them where they need to go.

Looseleaf for English Skills with Readings Sep 29 2019 Now in its 10th edition, English Skills with Readings emphasizes personalized learning to address student deficits in grammar and mechanics. Throughout the book, students are exposed to examples of writing that reflect the three key realms of their lives - personal, academic, and workplace. Seeing these different types of writing helps students understand the critical way in which writing will have an impact on the many facets of their lives. English Skills with Readings continues to encourage new writers to see writing as a skill that can be learned and a process that must be explored. The four skills, or bases, for effective writing are as follows: • Unity: Discover a clearly stated point, or topic sentence, and make sure that all other information in the paragraph or essay supports that point. • Support: Support the points with specific evidence, and plenty of it. • Coherence: Organize and connect supporting evidence so that paragraphs and essays transition smoothly from one bit of supporting information to the next. • Sentence skills: Revise and edit so that sentences are error-free for clearer and more effective communication. The four bases are essential to effective writing, whether it be a narrative paragraph, a cover letter for a job application, or an essay assignment. The new edition also includes a new and updated focus on information literacy, working with sources and writing research papers, making this a powerful and flexible text for students and instructors alike.

English Skills with Readings Jun 30 2022 This title is available in a new edition One of the most comprehensive and well-respected books of its kind, this best-selling paragraph-level rhetoric/reader/handbook by John Langan and Sharon Winstanley continues to help students master the essential skills needed for effective, meaningful writing. The 3rd Canadian Edition is also accompanied by a new Online Learning Centre with a wealth of study tools and resources!

Reading and Study Skills Oct 03 2022 By focusing on a wide range of reading and study skills required in the academic world, Reading and Study Skills gives instructors the flexibility to address student needs that might otherwise require several texts. The highly versatile organization divides topics into focused, self-contained modules that can be covered in any order resulting in a text that can be adapted to fit any teaching or learning situation. From its step-by-step, comprehensive coverage of the essential reading and study skills, to its practical, sensible style and tone, this text encourages and motivates students to get the most out of their reading and shows them how to master key study skills in order to have rewarding college experiences.

I Said No! Nov 23 2021 Learning to say "no" to cigarettes, drugs, and other dangers is one of the most important tools a child can have. In this new book by Slim Goodbody, children are taught to understand when and why they need to say "no", and how to refuse and still keep their friends.

Democracy and Education Oct 11 2020 John Dewey's Democracy and Education addresses the challenge of providing quality public education in a democratic society. In this classic work Dewey calls for the complete renewal of public education, arguing for the fusion of vocational and contemplative studies in education and for the necessity of universal education for the advancement of self and society. First published in 1916, Democracy and Education is regarded as the seminal work on public education by one of the most important scholars of the century.

College Writing Skills with Readings Nov 04 2022 College Writing Skills With Readings, 5th Edition, features Langan's renowned clear writing style and wide range of writing assignments and activities that reinforce the four essentials of good writing: Unity, Support, Coherence, and Sentence Skills.

English for Academic Study: Extended Writing and Research Skills US Edition Apr 04 2020 English for Academic Study: Extended Writing & Research Skills EAS Extended Writing & Research Skills takes students step by step through the process of producing an extended piece of academic writing, helping them to develop the writing and research skills necessary for the task. Students make use of the source materials that accompany the course to produce their own piece of extended writing. They are then encouraged to use the strategies they have learned to produce a second piece of writing, within their own field of study. The approach allows students to work independently, supported by detailed information and advice, as well as model answers provided in both the Course Book and the Instructor's Manual. The units are organized as follows: Introduction to the Skills of Extended Writing and Research Using Evidence to Support Your Ideas Structuring Your Project and Finding Information Developing Your Project Developing a Focus Introductions, Conclusions, and Definitions Incorporating Data and Illustrations Preparing for Conference Presentations and Editing Your Work Each unit has weblinks offering additional information and activities. A dedicated website, www.englishforacademicstudy.com, offers further instructor resources. This book can be used in conjunction with the following books in the English for academic study series, also published by Garnet Education: EAS Reading & Writing, EAS Listening, EAS Vocabulary, and EAS Speaking & Pronunciation.

College Writing Skills With Readings Apr 28 2022

Ten Steps to Advancing College Reading Skills Dec 01 2019 [This book] will help you to become a better reader and a stronger thinker.

Loose Leaf for College Writing Skills with Readings Aug 21 2021 College Writing Skills with Readings 10e highlights the importance of writing with a purpose by focusing on four bases of writing, unity, support, coherence, and sentence skills. The four bases provide students with clear guidance on how to organize their thoughts, structure their main idea into a thesis, provide supporting evidence to their claim, and revise and edit their work into a well thought-out essay. College Writing Skills with Readings personalizes and grounds students' writing experience by placing all of its reading, writing, and essay examples within three key realms - personal, academic, and workplace (PAW) - to emphasize the importance of writing in every facet of life.

Ten Steps to Improving College Reading Skills Feb 12 2021 Carefully explains and illustrates ten key reading skills that are widely recognized to be essential for literal and critical comprehension. Provides activities and reading selections to help you practice and master those skills.

Beyond Mars and Venus Jun 06 2020 The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, Men Are from Mars, Women Are from Venus revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In Beyond Mars and Venus, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

The Heirloom Gardener Aug 28 2019 An A-to-Z compilation of traditional gardening skills and heirloom plants, nostalgically illustrated with wood block art.

Primitive Wilderness Living and Survival Skills Jun 26 2019 For those who have been accustomed to reading books on wilderness skills that entertain but fall short of actually teaching you "how to" accomplish the tasks and skills at hand, this book is a pleasant surprise - written for those who wish to actually head into the wilderness and practice the skills of our ancestors. Primitive Wilderness Living and Survival Skills is a compilation of ten booklets written over the course of seven years each chapter a complete, concise "how-to" in itself. Unlike many who have written on this subject in the past, John and Geri McPherson have spent years daily practicing these skills, perfecting methods through trial and error - and documenting it. This vast knowledge is passed on to the reader. Illustrated with over 700 photographs crammed into 400 pages, this massive work is not a rehashing and perpetuation of myths. These are tried and true methods of primitive wilderness living and survival skills. Field and Stream says: "The McPherson's book...deals with taking flat nothing into boondocks and staying for a long period of time. If you'd like to know how to make a spear thrower, or pottery, or brain cure deer hides, or build a permanent shelter from what you find at and, here is the place to learn." And Sports Afield: "...Full of practical, tested advice for living off the land." Also the Museum of the Fur Trade: "This is without doubt the best raining guide for eral primitive living skills" Web Site www.prairiewolf.net; email: john/geri@prairiewolf.net or pwo1f@kansanet.net.

Reading Explorers Jan 02 2020

The Baby Books for Dads Jul 20 2021 "The Missing Secrets Ingredient to become an outstanding and extraordinary father." Discover the best and proven parenting skills and formula for new dads Are you looking for scientifically and medically sound information? Would you like a book that even your wife will find easier to read than her typical pregnancy book? Are you looking for great advice that is practical, simple, and to the point? Do you want a down-to-earth, informed guide to give you calm peace of mind when your newborn arrives? Are you tired of all the books really for moms, but put dad in the title? Alternatively, books for dads, that are "omg, so hilarious! LOL!" and treat us like idiots and stereotypes? Are you looking for a book that your husband will love and enjoy reading? Why is it so hard to find a book that will simply teach you how to effectively cope with your wife's pregnancy and prepare you for your soon-to-be baby, without trying to be so funny that they are actually insulting male intelligence, common sense, and assuming you do not have the emotional capacity to be a supportive person? I wondered this myself, and that's why I decided to create one. If you, gentlemen, are worried and anxious about having a new child. Alternatively, ladies, if you're looking for a book that will help ease your partner's anxieties, fears and worries about your pregnancy and soon to be baby, then this is the parenting book for new dads you've been waiting for. With detailed descriptions and illustrations of bathing techniques, exercising methods for your baby to grow, cries and what they mean, proper stroller buying notes, what to pack in a diaper bag, when to feed your child and what to feed them, what to read to your child, how to entertain your child, and even how to get intimate with your partner again, this book has everything you will ever need to know before your new bouncing bundle of joy arrives, and will even become a handy to-do book after. "The Baby(s) book for dads" provides quality information and suggestions that not only work and seem fun but are laid out in an easy to reference format. It's a perfect balance of practical information with humor thrown in there. And it is very affirming about motherhood and fatherhood. So... Who Should buy this book? Any First time Dad looking for an excellent, enjoyable guide that is practical, simple, and to the point. With realistic and straightforward information. Any Soon to be mom looking for an excellent resource for new dads that her partner will LOVE and enjoy reading and will help him better understand what she's going through (Like, perfectly!) Any Parent, Grandparent, or friend looking for a great book to give as a gift for a soon-to-be father. Less of a 'bro' style book, and more a book that will be taken seriously. So... Would you like A book that helps you understand what's happening with your partner's body and her emotions at any stage of her pregnancy? A down-to-earth, informed guide to give you peace of mind when the newborn arrives? To know exactly how to handle your baby, what will come out of it, and what will be next in her growth and developmental stages? An Excellent resource for new dads that your partner will LOVE and enjoy reading and that will help him better understand your concerns and be prepared when your new bouncing bundle of joy arrives? Download your copy of "The baby book(s) for dads: #1 parenting books for first-time parents" now to start enjoying this excellent guide that is practical, simple, and to the point. With realistic and straightforward information. Pick up your copy today by clicking the "BUY NOW" button at the top of this page!
