[Mind Games](#) Apr 16 2021 Justine Jones ha un segreto. Ipocondriaca fino alla paranoia, è convinta che le stia per scoppiare un vaso sanguigno nel cervello. Poi, all'improvviso, Packard, un uomo di una bellezza sconvolgente, comprende il suo problema e la invita a unirsi a lui e alla sua squadra anticrimine. Con l'insegnamento di Packard, Justine impara a far diventare la sua ossessione un'arma da usare contro i criminali di Midity.

[Breaking Free](#) Jul 20 2021 Heartland is a horse farm nestled in the hills of Virginia, but it's much more than that. Heartland is like no other place -- it's a place where the scars of the past can be healed, a place where frightened and abused horses learn to trust again. Pegasus is all Amy has left of her past, but he's steadily growing weaker. Amy's trying to care for him and hold Heartland together. She's striving to do just what her mother would have done, but everything is beginning to unravel. It will take all of Amy's courage to let go of her mother's legacy, but it is the only way that she will break free and find her own.

[I racconti](#) Jul 28 2019 "Tanti suoi racconti avrebbero potuto essere romanzi..." Goffredo Fofi Maestro del racconto come misura ideale di investigazione e reinvenzione, John Cheever è stato il riconosciuto testimone di un'America suburbana soffice e torbida, e continua a essere l'implacabile voce-sonda che ha tratto dall'ombra la gestualità rituale e le emozioni malate di una media borghesia chiusa dentro il suo severo protettivo benessere. Piccole anime, piccoli accadimenti, piccole trame, e un grande disegno che li tiene insieme. La "commedia umana" di John Cheever è contenuta in questi sessantuno racconti che costituiscono la dorsale più riconoscibile e più fasciosa della sua produzione. Appaiono in un solo volume, secondo le intenzioni dell'autore: solo così i racconti rivelano, in sequenza, una naturale continuità, una potente fluvialità. Fatto com'è di insistenze e ossessioni, il mondo di John Cheever si dispiega qui intero e avvolgente. Come dice Hanif Kureishi di questi racconti, "leggerli, e rileggerli, significa vivere meglio, e attribuire a Cheever l'ammirazione e il rispetto che merita".

[Twisted Truths of Modern Dressage](#) Apr 04 2020 One of the most outspoken critics of the modern dressage world reveals some disturbing facts about the physical, anatomical, and mental effects through official dressage guidelines as issued by the German Horse Society (FN) on horses. By comparing these with philosophies of masters of classical riding such as La Gueriniere and Baucher, he shows possible solutions to the challenging situation of modern competitive dressage. After describing the effects of modern dressage, breeding, and business, the author suggests a classical alternative—the philosophy of "legerity."

[Magic Spirit](#) Jun 18 2021 Meet Tilly Redbrow, who doesn't just love horses - she lives, breathes and dreams them too! When Tilly helps rescue neglected horse Magic Spirit, she realises she has a very special gift and starts living her dream. Learning about riding, training and caring for horses, Tilly discovers that at Silver Shoe Farm, anything is possible. From Pony Club to riding for the British team, and for every girl who has ever longed for a pony of her own, these delightful, warm and engaging stories are packed with Pippa Funnell's expert advice on everything you ever wanted to know about horses.

[Lucky Chance the New Foal](#) Aug 01 2022 Meet Tilly Redbrow, who doesn't just love horses - she lives, breathes and dreams them too! Tilly's riding skills are improving by the day, and she can't wait to go to Pony Club Camp. But first there's an exciting new arrival to welcome to Silver Shoe Farm. From Pony Club to riding for the British team, and for every girl who has ever longed for a pony of her own, these delightful, warm and engaging stories are packed with Pippa Funnell's expert advice on everything you ever wanted to know about horses.

[Libro del Cavallo](#) Jan 26 2022 Libro del Cavallo Ogni appassionato di cavalli dovrebbe conoscere questo libro! In modo compatto e comprensibile, trasmette tutte le conoscenze di base necessarie per gestire un cavallo in modo sicuro e adeguato alla specie, sia a terra che in sella. In oltre 125 pagine sono trattati i seguenti argomenti: Comportamento del cavallo Manipolazione del pony e del cavallo Cura e allevamento Salute e primo soccorso Il sedile corretto del pilota Equitazione nelle andature di base Regole per l'uscita in moto e molto altro ancora con illustrazioni Anche per i genitori o gli amici che desiderano saperne di più sui cavalli, questo libro compatto è l'introduzione ideale al mondo dei cavalli. Viene presentato in modo chiaro e facilmente comprensibile ciò che conta davvero. Buona fortuna nell'apprendere le conoscenze di base per trattare con i cavalli con questa guida compatta di oltre 125 pagine!

[Ponies and Horses](#) Feb 01 2020 An interactive book chock-full of adorable ponies and regal horses, this is the National Geographic Kids signature content in a sticker and activity book format. Packed with mazes, spelling and pattern games, drawing activities, and more, kids are sure to love these pages loaded with fun!

[Il Natale del Texas](#) Aug 28 2019 Perseguitato da un passato che non sembra intenzionato a lasciarlo, Liam trova finalmente un porto sicuro al Double D. Lavorando con i cavalli di Jack, sotto la guida sicura di Robbie, Liam cerca di sfuggire a ricordi talmente dolorosi da lasciare il segno... ma quando Marcus piomba nella sua vita, tutto sembra ribaltarsi, e Liam scopre che la strada verso la felicità passa anche attraverso l'imprevedibile. Intanto, la famiglia di Jack e Riley si allarga: tra crisi adolescenziali, pannolini, tate e gli sforzi della coppia per adottare il piccolo Max, si dimostra più unita che mai, mentre l'amore tra il cowboy e il petroliere diventa ogni giorno sempre più profondo, nonostante le difficoltà.

The History and Geography of Human Genes Jun 06 2020 Hailed as a breakthrough in the understanding of human evolution, *The History and Geography of Human Genes* offers the first full-scale reconstruction of where human populations originated and the paths by which they spread throughout the world. By mapping the worldwide geographic distribution of genes for over 110 traits in over 1800 primarily aboriginal populations, the authors charted migrations and devised a clock by which to date evolutionary history. This monumental work is now available in a more affordable paperback edition without the myriad illustrations and maps, but containing the full text and partial appendices of the authors' pathbreaking endeavor.

The Perfection of Nature May 18 2021 A deep history of how Renaissance Italy and the Spanish empire were shaped by a lingering fascination with breeding. The Renaissance is celebrated for the belief that individuals could fashion themselves to greatness, but there is a dark undercurrent to this fêted era of history. The same men and women who offered profound advancements in European understanding of the human condition—and laid the foundations of the Scientific Revolution—were also obsessed with controlling that condition and the wider natural world. Tracing early modern artisanal practice, Mackenzie Cooley shows how the idea of race and theories of inheritance developed through animal breeding in the shadow of the Spanish Empire. While one strand of the Renaissance celebrated a liberal view of human potential, another limited it by biology, reducing man to beast and prince to stud. "Race," Cooley explains, first referred to animal stock honed through breeding. To those who invented the concept, race was not inflexible, but the fragile result of reproductive work. As the Spanish empire expanded, the concept of race moved from nonhuman to human animals. Cooley reveals how, as the dangerous idea of controlled reproduction was brought to life again and again, a rich, complex, and ever-shifting language of race and breeding was born. Adding nuance and historical context to discussions of race and human and animal relations, *The Perfection of Nature* provides a close reading of undertheorized notions of generation and its discontents in the more-than-human world.

L'autunno del Texas Sep 09 2020 Jack è determinato a creare una scuola di ippoterapia per bambini con bisogni speciali, senza tralasciare l'addestramento e l'allevamento dei suoi cavalli. Lui e Riley si sono finalmente adattati a una normale, tranquilla vita familiare, anche se ciò non impedisce loro di sfruttare la stalla al massimo! Ma la calma precede sempre la tempesta. Riley e il suo nuovo assistente arrivano a Laredo e oltrepassano il confine verso Nuevo Laredo per esplorare un nuovo sito. Da lì in poi, le cose peggiorano molto in fretta. Riley rimane coinvolto negli affari dei Cartelli e, di colpo, Jack rischia di perdere tutto ciò che ha di più caro. Se si aggiungono anche le storie di Vaughn e Darren, Robbie ed Eli, Liam e Marcus, Sean e Eden e il loro matrimonio mai celebrato, questo libro sembra promettere tutto ciò che si può desiderare da una storia della serie Texas.

A Gemstone in the Rock Feb 24 2022 Once Bukowski was asked: "Do you believe in God?" He replied: "No, I believe only in horses. I do not know why we always realize things when it is too late. I've also bet on horses for a period. But, differently from Bukowski whom I respect so much, I quit horses and bet on God. Really, I think it is for this faith that I found myself with my back against the wall. "Against the wall" was the first title I wanted to give to this book. There are a lot of people in the world: tramps, prisoners, all types of emarginated people who are alienated just because, in my opinion, they do not manage to keep pace with a cheering occidental cult of efficiency, to keep up with the rules for which the society, the system did not forgive them. But Christ said: "I came to the world for the ill, not for the sane". Thus, is it really true the last will be the first? Maybe, if, as far as I know, a probable God does not consider things the way people do. Anyway, what I have never understood is: there is a baby born from Gypsies and there is another one born from a rich American family. What is the fault of the first one whose destiny is immediately signed? A mystery! So, "A Gemstone in the Rock", in its essential message, is an invitation to bet on God as it is the only chance we have in our life. It is also an invitation to pray—to pray more often during the day. Even at work. But without putting the entertainment aside: it gives colours to our life. That's why the title is "A Gemstone in the Rock": life is nothing but a precious stone in the rock: you can observe it in its splendour but you cannot take it with your naked hands. As far as the emarginated people are concerned, let us help them bearing in mind that, differently from what the main part of respectable Catholics think, to help them is not at all a walk of pleasure. I say it with a poem: "How much pain I get for a kiss to a poor wretch!" "This book has got a particular: it is like a human being in the course of his life with its high and low moments between faith and total loss of courage". P.S. As far as my poem "Now" ("Faith") is concerned, for a question of a dramaturgic effect I left the sequence of the passion events according to my poetic license". Have a good time reading! Sincerely, Donato Placido This book was born as a synthesis of our writings, our thoughts and vision of the world. I made Donato's acquaintance while he was focused on hypotheses of a staged version of a Pirandello's play. His poetry published and appreciated in Italy, inspired me. I proposed to him being published abroad. I read Donato's material thoroughly and put it in a sequence (I would rather say I had to cut it like a movie: his writings evoke movie-like images). This book owes to me its structure, order and some chapters: trilogy "Loneliness of Light" I wrote on the basis of apocryphal Gospels found in the Dead Sea in 2004, in particular, Judas' and Magdalene's Gospels. However, the dialogue between Judas and Magdalene (staged in 2006 in Moscow at an international festival of directing plays) and Magdalene's monologue are of pure intuition (or, if we prefer so, of artistic invention). Other book parts of which I am the author are: the dialogue "Puppets of freedom" inspired by "Danton's Death" by Georg Büchner, extracts from Disillusions (money, power, female love), extracts from Absence and silence ("The end of the world", "Silence, loneliness and . . ."), the whole chapter of "Encounter" (which is Donato's novel of the same name I put in a nutshell and in blank verse) and my poem on a true love, "Till the darkness". In a human life everyone passes from happiness to despair, from the idea of God dissolved in everything to the idea of his absence, one stakes on the material goods accumulation, on power, on love, even on the idea of freedom—but then one notices all these concepts are only illusions, just glimpses
