A Quick Bite Jul 29 2019 Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood and especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that?

The Boy Who Granted Dreams Aug 29 2019 New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. As young Natale grows up in the Roaring Twenties, he takes a page from his crippled mother's book and finds he possesses a

certain charisma that enables him to charm the dangerous people around him ... Weaving Natale's unusual life and quest for his one true love against the gritty backdrop of New York's underbelly, Di Fulvio proves yet again that he is a master storyteller as he constructs enticing characters ravaged by circumstance, driven by dreams, and awakened by destiny. Haunting and luminous, this masterfully written blend of romance, crime, and historical fiction will thrill lovers of turn-of-the-century dramas like "Once Upon a Time in America" and "Gangs of New York." About the Author: Luca Di Fulvio was born in 1957 in Rome where he now works as an independent author. His versatile talent allows him to write riveting adult thrillers and cheerful children's stories (published under a pseudonym) with equal ease. One of his previous thrillers, "L'Impagliatore," was filmed in Italian under the title "Occhi di cristallo." Di Fulvio studied dramaturgy in Rome where he was mentored by Andrea Camilleri.

Flirting with Forty Sep 30 2019 He got the second home and the Porsche. She got the kids and a broken heart. Now Jackie, post-divorce

and heading toward the big four-oh, is on vacation in sunny and staring down her upcoming birthday-alone. But not for long. She's soon falling for Kai, her gorgeous, much younger surf instructor, and the wild passionate fling they have becomes the biggest surprise of Jackie's life. Back home in Seattle, Jackie has to struggle with single parenthood...and memories of Kai. He hasn't forgotten her. Yet thousands of miles of ocean-not to mention an age difference that feels even wider-separate them. And, of course, her friends disapprove. When a choice must be made, can she, will she risk everything for her chance at happiness?

The Golden Section May 31 2022 Igi Heitmann is being stalked. In the suburb of Oslo where she lives with her cross-dressing husband and their daughter, someone is spray-painting the walls of the houses. HEITMANN = CHILD KILLER, the graffiti says. Who would think this, and how do they know where she lives? On a bitter winter's evening, Igi attends the opening of the exhibition of an avant-garde artist whose use of violent pornography has caused great controversy. A video is playing, showing a young man being strangled as part of a sado-masochistic sex game. Moving between the world of violent pornographic art and the happy life she shares with her husband and daughter, Igi must follow a dangerous and shocking path to the truth. An Igi Heitman mystery.

Changing Sex Nov 12 2020 Changing Sex takes a bold new approach to the study of transsexualism in the twentieth century. By addressing the significance of medical technology to the phenomenon of transsexualism, Bernice L. Hausman transforms current conceptions of transsexuality as a disorder of gender identity by showing how developments in medical knowledge and technology make possible the emergence of new subjectivities. Hausman's inquiry into the development of endocrinology and plastic surgery shows how advances in medical knowledge were central to the establishment of the material and discursive conditions necessary to produce the demand for sex change--that is, to both "make" and "think" the transsexual. She also retraces the hidden history of the concept of gender, demonstrating that the semantic distinction between "natural" sex and "social"

gender has its roots in the development of medical treatment practices for intersexuality--the condition of having physical characteristics of both sexes-- in the 1950s. Her research reveals the medical institution's desire to make heterosexual subjects out of intersexuals and indicates how gender operates semiotically to maintain heterosexuality as the norm of the human body. In critically examining medical discourses, popularizations of medical theories, and transsexual autobiographies, Hausman details the elaboration of "gender narratives" that not only support the emergence of transsexualism, but also regulate the lives of all contemporary Western subjects. Changing Sex will change the ways we think about the relation between sex and gender, the body and sexual identity, and medical technology and the idea of the human.

Best Transgender Erotica Feb 02 2020 A ground-breaking 'best of' collection that celebrates gender variations with erotic fiction. The Butterfly Effect Aug 02 2022 It is a cold, dark, windy night in Oslo and Igi Heitmann pores over the debris in her dead father's office, trying to piece together the last days of his life as a failed private eye. She discovers a curious butterfly medallion in his desk - which in turn leads to the discovery of a young woman in a snow-drift, two bullets in her head and a gun in her hand. Igi's father and the young woman died within hours of each other - is the same person responsible for both their deaths? Igi soon finds herself in the role of detective, on a trail that leads to the city's underworld of corruption, sadism and child abuse. Caught amongst the shards of a dozen shattered lives, she must tread carefully if she is to reconstruct the violent and tragic truth, and not be killed in the process.

The Bird Is a Raven Mar 05 2020 Henry and Paul are strangers when they find themselves sharing a sleeping compartment on a night train from Munich to Berlin. When they begin to talk, their stories appear to be variations on the same

theme: young guys adrift in the big city, relationships gone wrong, broken hearts. Henry is running away from a triangle of friendship gone sour; Paul is running away too, but as the night unfolds and the train speeds north across the German landscape, his story turns ominous. What he finally reveals to his unsuspecting traveling companion goes into the darkest sphere of human behavior. Shocking and raw, *The Bird is a Raven* is the work of a writer at the beginning of a stellar career.

The Confectioner's Tale May 07 2020 At the famous Patisserie Clermont, a chance encounter with the owner's daughter has given one young man a glimpse into a life he never knew existed: of sweet cream and melted chocolate, golden caramel and powdered sugar, of pastry light as air. But it is not just the art of confectionery that holds him captive, and soon a forbidden love affair begins. Almost eighty years later, an academic discovers a hidden photograph of her grandfather as a young man with two people she has never seen before. Scrawled on the back of the picture are the words "Forgive me." Unable to resist the mystery behind it, she begins to unravel the story of two star-crossed lovers and one irrevocable betrayal.

Camber the Heretic Oct 24 2021 In the kingdom of Gwynedd, a hero faces an inquisition that could destroy his magical race, in a novel of the Deryni by a New York Times–bestselling author. In the medieval kingdom of Gwynedd, strife has long existed between the human population and the Deryni, a powerful race of magic-users. For more than a decade, a fragile peace has held under the rule of King Cinhil. The former monk reluctantly ascended the throne with the help of Camber of Culdi, Gwynedd's most revered Deryni lord, who in turn sacrificed his identity and physical form for the good of all people, earning sainthood in the process. But now Cinhil is dying, and a dark cloud is descending upon the land. The king's heir is a mere boy of twelve, and the malevolent regents who will rule until young Alroy comes of age are determined to eliminate all Deryni. Suddenly, the future of Gwynedd hangs in the balance, and Camber—once adored as a saint, but now reviled as a heretic—must find a way to protect his people before everything and everyone he loves is destroyed in the all-consuming flames of

intolerance and hate.

Calling Out for You Jul 21 2021 Inspector Sejer is on the trail of a violent killer in small-town Norway in this gripping thriller from acclaimed crime writer Karin Fossum. Gunder Jomann, a quiet, middle-aged man from a peaceful Norwegian community, thinks his life has been made complete when he returns from a trip to India a married man. But on the day his Indian bride is due to join him, he is called to the hospital to his sister's bedside. The local taxi driver sent instead to meet the bride at the airport returns without her. Then the town is shocked by the news of an Indian woman found bludgeoned to death in a nearby meadow. Inspector Sejer and his colleague Skarre head the murder inquiry, cross-examining the townsfolk and planting seeds of suspicion in a community which has always believed itself to be simple, safe and trusting. For what can only have been an unpremeditated and motiveless act of violence, everyone is guilty until proven innocent.

The Butterfly Effect of Grace May 19 2021

For over 25 years, Rex has taught with one simple theme; you matter to God. Somehow we have missed that. The unconditional mercy and grace that flow from the heart of God draws us to Him. Nothing we will ever do, good or bad, would ever cause the heart of God to love us any more or less than he does right now. When that truth soaks in, you and I will be able to live the life that God has called us to live. The smallest of things we do and say, matter deeply to God and to those around us. Grace, extended to others, has a ripple effect. When we step out of our comfort zone and touch the world around us, something happens. Broken-hearted people start to mend. They begin to connect the dots to God. That is a good thing, a very good thing. It can cause a butterfly effect of grace.

Butterfly Effect Apr 17 2021 Speaker and New York Times best-selling author Andy Andrews shares a compelling and powerful story about a decision one man made over a hundred years ago, and the ripple effect it's had on us individually, and nationwide, today. It's a story that will inspire courage and wisdom in the decisions we make, as well as affect the way we treat others through our lifetime. Andrews speaks over 100 times a year, and *The Butterfly Effect* is his #1 most requested story.

The Murder of Harriet Krohn Jan 15 2021 Charlo Torp has problems. He's grieving for his late wife, he's lost his job, and gambling debts have alienated him from his teenage daughter. Desperate, his solution is to rob an elderly woman of her money and silverware. But Harriet Krohn fights back, and Charlo loses control. Wracked with guilt, Charlo attempts to rebuild his life. But the police are catching up with him, and Inspector Konrad Sejer has never lost a case yet. Told through the eyes of a killer, *The Murder of Harriet Krohn* poses the question: how far would you go to turn your life around, and could you live with yourself afterwards?

The Girl in the Red Coat Jun 27 2019 When she first saw Schindler's List--to whose premiere in Germany she was invited--Roma Ligocka suddenly realized she was witnessing a part of her own life. She felt instinctively that the little girl in the red coat--the only spot of color in the film--was her. When she had lived in the Krakow ghetto during the Second World War she had worn a strawberry-red coat given to her by her

grandmother. Unlike the girl in Spielbeg's film, however, Roma survived the war. Startled by this eerie conjunction of art and reality, Ligocka determined to write the story of her own life, to find out what had become of the little girl, and to measure who she now was. From a harrowing childhood under the Nazis, described with a simplicity and innocence that lends it even greater power, through the trials of living in Communist Poland, to a career in the theater and film (an artistic struggle paralleling that of her cousin, Roman Polanski), Ligocka traces her struggle for self-definition and happiness. *The Girl in the Red Coat* is a courageous and moving story of survival and triumph.

The Butterfly Effect Dec 26 2021 One of the most beautiful creations made from God is the colorful, free-spirited butterfly. But it was not always this way; it first had to go through several stages before she became that breath taking creature. Women, are like these butterflies, who must go through stages of transformation, in order to reach that final stage of freedom and tranquility that we have now achieved. In the beginning, women were conditioned to believe they were not equal to men. That is, until recently, when thanks to an organization called "I AM WOMAN", love and harmony between men and women have been rekindled along with co-independence, and an equality on every level and in every way. "The Butterfly Effect" is a program designed mainly for women. It is a program that teaches them how their mind works and that the information that is taken-in-through their five sensory systems is assimilated by their mind, and imprinted as a picture on their subconscious mind. That picture, like a magnet, begins to attract all the necessary pieces to, simultaneously, manifest it in our lives. So, women, be careful what you picture because that's exactly what you're going to get! And also remember, the important thing is not to get what you want but to want what you get! Through this simple awareness, we know the tremendous 'Power of Pictures.' As Aristotole said, "there is nothing in the universe that wasn't first a picture in someone's mind." And what picture is more beautiful than that of the two shimmering butterflies joining wings on their flight across the

spectacular "Bridge of Equality," in love and harmony? So ladies and gentlemen, wherever you may be, imprint that gorgeous picture of the amazing butterflies that you truly are on your subconscious mind and gently, "I Am Butterfly, Watch Me Soar!".

The Last Fix Dec 14 2020 "Gunnarstranda and Frølich rely on old-fashioned interview techniques, dogged comparisons of stories and time lines, to unravel the lies in a whodunit full of psychological insights." -Publishers Weekly Award-winning author K.O. Dahl has achieved international acclaim with his Oslo Detectives series featuring inspectors Frølich and Gunnarstranda. Now he returns with the third book in the series, combining rare psychological insight and elegant prose rich with dark humor. Katrine Bratterud, a recovering drug addict, is almost finished with her time in rehab. One evening, contemplating her success at the shore of a lake, she senses that she is not alone. To her shock, a naked man approaches from the woods. The discovery of Katrine's corpse the following day brings Inspectors Frølich and Gunnarstranda onto the case and into a web of secrets and lies that stretches back generations. Katrine's dark past makes her easy prey to a series of men, who immediately become suspects—and victims of the killer's rage. Like Henning Mankell, Dahl gracefully merges the suspense of the classical whodunit with the detailed precision of the police procedural novel. International Praise for K.O. Dahl and the Oslo Detectives Series: "The new king of detective stories. He combines high suspense with humour. He is the next Henning Mankell." --Max (Germany) "[I]n a league of his own." --Aftenposten (Norway) "Dahl is the shining star of the genre." --Hamar Arbeiderblad (Norway) "Recommend to fans of Karin Fossum and Kjell Eriksson. Dahl is a formidable talent." --Booklist *Make More, Worry Less* Mar 17 2021 *Verzeichnis lieferbarer Bücher* Feb 25 2022 *Adele* Dec 02 2019 Adele Louisante, as Sylvester named the exquisite creature he rescued from slaughter in a Pyrenean village, was a paradox of fetid smells and delicate perfections. To protect and tend her, Sylvester summons to Paris his sister, though what begins as scientific enquiry degenerates into obsession.

Now Tarl is leaving the decadent city of Port Kar to wander in the wilds of Gor, taking up the sword to defend his rulers and enemies, the Priest-Kings, for he knows that the fate of his home planet, Earth, is inextricably tied to the fate of Gor. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. *Slave Girl of Gor* is the 11th book in the Gorean Saga, but you may enjoy reading the series in any order.

Tirpitz in Norway Nov 24 2021 In September 1943, under the cover of darkness, six British midget submarines crept into the heart of enemy territory, penetrating a heavily guarded Norwegian fjord in an attempt to eliminate the threat of the powerful German battleship, the *Tirpitz*. Numerous previous attempts to attack the ship from both air and sea had failed, and this mission was carefully strategized, and undertaken by skilled operatives who had undergone extensive training in an isolated sea loch. Though five of the six X-Craft submarines were either lost or captured, two crews had just enough time to lay their explosive charges, which detonated after they were forced to the surface, putting the *Tirpitz* out of action for a crucial six-month period. Masterminded from a top-secret naval headquarters on the east coast of Scotland, Operation Source has been memorialised as one of the most daring naval raids of World War II. This new study tells the complete story of this epic operation in unparalleled detail, supported by full-colour illustrations and contemporary photography.

Hello Cruel World Jun 07 2020 Celebrated transsexual trailblazer Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, *Hello, Cruel World* is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. *Hello, Cruel World* features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.
