Black Girls' Literacies Dec 13 2020 Bringing together the voices of leading and emerging scholars, this volume highlights the many facets of Black girls' literacies. As a comprehensive survey of the research, theories, and practices that highlight the literacies of Black girls and women in diverse spaces, the text addresses how sustaining and advancing their literacy achievement in and outside the classroom traverses the multiple dimensions of writing, comprehending literature, digital media, and community engagement. The Black Girls' Literacies Framework lays a foundation for the understanding of Black girl epistemologies as multi-layered, nuanced, and complex. The authors in this volume draw on their collective yet individual experiences as Black women scholars and teacher educators to share ways to transform the identity development of Black girls within and beyond official school contexts. Addressing historical and contemporary issues within the broader context of inclusive education,

chapters highlight empowering pedagogies and practices. In between chapters, the book features four "Kitchen Table Talk" conversations among contributors and leading Black women scholars, representing the rich history of spaces where Black women come together to share experiences and assert their voices. A crucial resource for educators, researchers, professors, and graduate students in language and literacy education, this book offers readers a fuller vision of the roles of literacy and English educators in the work to undo educational wrongs against Black girls and women and to create inclusive spaces that acknowledge the legitimacy and value of Black girls' literacies.

On the Wings of Heroes Apr 28 2022 Davy Bowman's dad looks forward to Halloween more than a kid, and Davy's brother, Bill, flies B-17s. It's an intense, confusing time, and one that will spur Davy to grow up in a hurry. This is one of Richard Peck's finest novels—a tender, unforgettable portrait of the World War II home front and a family's enduring love.

Gilgamesh Jun 18 2021 Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.

The Luger May 18 2021 Patented in 1898 and produced from 1900, Georg Luger's iconic semi-automatic pistol became synonymous with Germany's armed forces throughout both world wars. Initially chambered for the 7.65x21mm round, from 1902 the Luger was designed for DWM's 9x19mm round, which even today remains the most popular military handgun cartridge. It was adopted by the Imperial German Navy in 1904, followed by the German Army in 1908, receiving the name Pistole 08. Despite being supplanted by the Walther P38, the Luger remained in widespread service with all arms of Nazi Germany's armed forces throughout World War II, and even equipped East Germany's Volkspolizei in the years after 1945. Featuring full-colour artwork, expert analysis and archive and present-day photographs, this engaging study tells the story of the Luger, the distinctive and deadly semi-automatic pistol that has come to symbolize Germany's armed forces in the 20th century.
