The Selected Works of T. S. Spivet Aug 02 2022 A brilliant, boundary-leaping debut novel tracing twelve-year-old genius map maker T.S. Spivet's attempts to understand the ways of the world When twelve-year-old genius cartographer T.S. Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award, life as normal-if you consider mapping family dinner table conversation normal-is interrupted and a wild cross-country adventure begins, taking T.S. from his family ranch just north of Divide, Montana, to the museum's hallowed halls. T.S. sets out alone, leaving before dawn with a plan to hop a freight train and hobo east. Once aboard, his adventures step into high gear and he meticulously maps, charts, and illustrates his exploits, documenting mythical wormholes in the Midwest, the urban phenomenon of "rims," and the pleasures of McDonald's, among other things. We come to see the world through T.S.'s eyes and in his thorough investigation of the outside world he also reveals himself. As he travels away from the ranch and his family we learn how the journey also brings him closer to home. A secret family history found within his luggage tells the story of T.S.'s ancestors and their long-ago passage west, offering profound insight into the family he left behind and his role within it. As T.S. reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that, for all his analytical rigor, the world around him is a mystery. All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle. For all its shine, fame seems more highly valued than ideas in this new world and friends are hard to find. T.S.'s trip begins at the Copper Top Ranch and the last known place he stands is Washington, D.C., but his journey's movement is far harder to track: How do you map the delicate lessons learned about family and self? How do you depict how it feels to first venture out on your own? Is there a definitive way to communicate the ebbs and tides of heartbreak, loss, loneliness, love? These are the questions that strike at the core of this very special debut. Now a major motion picture directed by Jean-Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter.

Case Studies in Generalist Practice Sep 30 2019 This book is a compilation of real cases submitted by social workers and faculty teaching social work courses. The cases help students understand how clients, issues, and agencies interact, as well as see how that understanding connects with the actual "doing" of generalist social work practice. The cases reflect a broad range of courses in the social work curriculum and the most current CSWE standards.

Murder In Scorpio Sep 22 2021 Sergeant Tom McGowan turns to Elizabeth Chase, who uses the paranormal and astrology to help her investigations, to explore the death of an old friend, and what she discovers will shock them both. Reprint.

How to Break Up with Your Phone Nov 05 2022 Packed with tested strategies and practical tips, this book is the essential, life-changing guide for everyone who owns a smartphone. Is your phone the first thing you reach for in the morning and the last thing you touch before bed? Do you frequently pick it up "just to check," only to look up forty-five minutes later wondering where the time has gone? Do you say you want to spend less time on your phone—but have no idea how to do so without giving it up completely? If so, this book is your solution. Award-winning journalist Catherine Price presents a practical, hands-on plan to break up—and then make up—with your phone. The goal? A long-term relationship that actually feels good. You'll discover how phones and apps are designed to be addictive, and learn how the time we spend on them damages our abilities to focus, think deeply, and form new memories. You'll then make customized changes to your settings, apps, environment, and mindset that will ultimately enable you to take back control of your life.

Hotline to Hell Oct 31 2019 Kayel Cleary is a phone sex operator. All she wants to do is get through law school, and if that means late-night phone calls with men who think she's something she's not, then so be it. That is, until one of her long-time clients is murdered - and she hears it all. Lathan only wants one thing: a seat on the vampire council. He's worked his entire unnatural life for this moment, only to have it fall apart when his biggest supporter ends up dead. Now, Lathan has to find and work with the only witness. And she happens to be a phone sex operator. Thrust into a world she never knew existed, Kayel must help Lathan find the murderer and stop the impending war, all while fighting her attraction for the undead man she loves to hate. If she can't learn their ways and figure out who killed Marco, then she may lose more than just her life ... She may spark a war that would spell disaster for vampires and humans alike.

Liberated To the Bone May 31 2022 Self-transformation requires social transformation. Social transformation requires self-transformation. The newest title in the Emergent Strategy Series, *Liberated to the Bone* addresses the intersections between healing our physical bodies and healing our relationship within systems and structures that are shaped by violence. The book illuminates three different approaches to healing: ending violence, the significance of being rooted in the present, and creating the conditions to address unfinished histories and generational trauma. By showing how these approaches are intricately connected—whether it be physically or emotionally—Raffo interrupts the traumatic binaries of the political and spiritual, the physical and intellectual, and healing and organizing.

The Last Saint Jan 03 2020 After spending her whole childhood fighting her father's claim that she was born in evil, Mariella thought she had set up the perfect life with the perfect husband and perfect children. One night, when her husband Dominic comes home covered in blood, Mariella's life changes forever. Triggered by the traumatic event, she plunges into a terrifying psychological decline that threatens her life as well the lives of her family. With her family oblivious to her declining state, can her long lost sister Helen reach out to her before it's too late?

The Power of Fun Jan 15 2021 If you're not having fun, you're not fully living. The author of *How to Break Up with Your Phone* makes the case that, far from being frivolous, fun is actually critical to our well-being—and shows us how to have more of it. “This delightful book might just be what we need to start flourishing.”—#1 New York Times bestselling author Adam Grant Journalist and screen/life balance expert Catherine Price argues persuasively that our always-on, tech-addicted lifestyles have led us to obsess over intangible concepts such as happiness while obscuring the fact that real happiness lies in the everyday experience of fun. We often think of fun as indulgent, even immature and selfish. We claim to not have time for it, even as we find hours a day for what Price calls Fake Fun—bingeing on television, doomscrolling the news, or posting photos to social media, all in hopes of filling some of the emptiness we feel inside.. In this follow-up to her hit book, *How to Break Up with Your Phone*, Price makes the case that True Fun—which she defines as the magical confluence of playfulness, connection, and flow—will give us the fulfillment we so desperately seek. If you use True Fun as your compass, you will be happier and healthier. You will be more productive, less resentful, and less stressed. You will have more energy. You will find community and a sense of purpose. You will stop languishing and start flourishing. And best of all? You'll enjoy the process. Weaving together scientific research with personal experience, Price reveals the surprising mental, physical, and cognitive benefits of fun, and offers a practical, personalized plan for how we can achieve better screen/life balance and attract more True Fun into our daily lives—without feeling overwhelmed. Groundbreaking, eye-opening, and packed with useful advice, *The Power of Fun* won't just change the way you think about fun. It will bring you back to life.

The Other Glass Teat Jul 29 2019 The late, multi-award-winning author of The Glass Teat continues his critical assault on television in this second collection of classic criticism. In the late 1960s and early 1970s, there were only three major television networks broadcasting original programs and news. And there was only one Harlan Ellison taking them all to task in a series of weekly essays he wrote for the countercultural, underground newspaper, the Los Angeles Free Press, a.k.a. "The Freep." For nearly four years, he channel surfed through the mire of ABC, CBS, and NBC, finding little of value but much to critique. No one offered a more astute analysis of the idiot box's influence on American culture, or its effects on the intelligence and psyche of viewers. The Other Glass Teat: Further Essays of Opinion on the Subject of Television collects Ellison's final fifty columns, presenting his thoughts on everything from dramas and sitcoms to game shows and roundtable discussions, unleashing his fury against sponsors, the nightly news, and the broadcasts of President Nixon—warning readers about the commander-in-chief's war against the media long before the Watergate scandal broke. As television has evolved into wireless streaming services and digital interactions on portable devices, Ellison's timeless rage against the machine has become prophecy. His plea to unplug is an even more necessary call to action in the face of the twenty-first century's media onslaught. Also available: The Glass Teat: Essays of Opinion on the Subject of Television

Issues for Debate in Social Policy Jan 27 2022 Is more government aid needed? Who will pay for care of aging baby boomers? Will all Americans finally get health insurance? These are just some of the topics covered in Issues for Debate in Social Policy. Engaging and reader-friendly articles encourage students to think critically about some of the most pressing social policy issues of our time. Classroom discussions will sparkle as a result! About CQ Researcher Readers In the tradition of nonpartisanship and current analysis that is the hallmark of CQ Press, readers investigate important and controversial policy issues. Offer your students the balanced reporting, complete overviews, and engaging writing that has consistently provided for more than 80 years. Each article gives substantial background and analysis of a particular issue as well as useful pedagogical features to inspire critical thinking and to help students grasp and review key material: A Pro/Con box that examines two competing sides of a single question A detailed chronology of key dates and events An annotated bibliography and Web resources Outlook sections that address possible regulation and initiatives from Capitol Hill and the White House over the next 5 to 10 years Photos, charts, graphs, and maps

The Genesis Code Aug 29 2019 NEW YORK TIMES BESTSELLER • "Terrifying . . . a spellbinding biomedical thriller."—San Francisco Examiner "A classic that will grip you until the end."—Houston Chronicle A phone call in the dead of night brings Joe Lassiter shattering news: His sister and young nephew have died in a fire in their home near Washington, D.C. Yet Lassiter soon learns a chilling fact: His loved ones were brutally murdered before the blaze was set. The mysterious suspect's identity only raises more questions. Then Lassiter uncovers another crime—another innocent mother and child murdered. The more he investigates, the larger the web of conspiracy grows, as Lassiter's search for answers leads him on a dangerous international chase toward a truth that will shock him— and the world—to the very core. . . .

Buckaroo Banzai Against the World Crime League, Et Al: A Compendium of Evils May 19 2021 A world-class hero confronts ancient "supernatural" evils in an adventure that spans entire planets and defies everyday notions of reality! Still mourning the losses of his beloved Penny Priddy and his surrogate father Professor Hikita, Buckaroo Banzai must also contend with the constant threat of attack from his immortal nemesis Hanoi Xan, ruthless leader of the World Crime League. To make matters worse, Planet 10 warrior queen John Emdall has sent her Lectroid legions against Earth with a brutal ultimatum. Or is her true target Buckaroo Banzai? As the apocalyptic threats continue to mount, only Buckaroo and his Hong Kong Cavaliers stand in the way of global destruction. The long-awaited sequel to The Adventures of Buckaroo Banzai Across the 8th Dimension is finally here after more than 35 years! As told by the Reno Kid to Buckaroo Banzai chronicler E.M. Rauch, this tale follows everyone's favorite scientist-surgeon-entertainer-daredevil as he sets off on a brand-new hair-raising adventure!
