The Sheriff's Secret Baby Jul 28 2019 Sheriff Grant Jackson fell in love with Lydia Somerset the moment he saw her, and though she was unaccustomed to the ways of the west and surprised by his readiness to take her firmly in hand, she seemed to love him too. That only made it harder to bear when a misunderstanding prompted her to board a train headed back east without even saying goodbye. Lydia had high hopes when she traveled west as a mail order bride for the sheriff of Silver Run, Arizona, but then everything went wrong and she ended up back in Boston, on her own and pregnant with his child. Heartbroken and desperate, she let her cruel, conniving mother take control of her life, even though it meant giving up her child. When Grant receives a cryptic letter informing him that his wife is in urgent need of his help, he

takes the next train to Boston, determined to find out the truth behind her abrupt departure. Upon his arrival, however, he quickly discovers that there is much more to the situation than he realized. Can he find a way to reclaim not only his wayward wife but his infant son as well? Publisher's Note: The Sheriff's Secret Baby contains spankings and sexual scenes. If such material offends you, please don't buy this book.

The Alien's Captive Jun 30 2022 General Augustus Bron, Commander of the Traoian Iron Guard, has never approved of the practice of capturing human women and training them to serve the rich and powerful of his world. He knows, however, that success in politics is all but impossible without the social status granted by ownership of a human pet, and with his planet in desperate need of new leadership he sees little choice but to obtain one for himself. When she pieces together a connection between five missing women, reporter Phaedra Ellis knows she is onto something big, but before she can go public with her story she is taken from her apartment in the middle of the night and brought to a facility unlike anything she has ever seen before. To her shock, Phaedra is informed that she is no longer on Earth, and more disturbing still, she is now the property of a huge, powerful alien warrior who will not hesitate to bare her bottom and spank her soundly should she dare to disobey him. After an intimate, deeply humiliating medical examination confirms her suitability as a pet, Bron begins Phaedra's training. Though taming her will require a firm hand and punishments much more shameful than a mere spanking may be necessary from time to time, he has no doubt that he is up to the task. But despite his efforts to remain stoic, his beautiful little human has soon claimed a place in his heart. When Bron's enemies seek to use his growing love for Phaedra against him, can the battle-hardened soldier find a way to protect both his planet and his pet? Her Russian Bears Jul 08 2020 When US Fish and Wildlife Service agent Jordan Rowe is sent to Russia to investigate the smuggling of a huge

bear into the United States, she has no idea what is in store for her. Upon reaching the remote Kamchatka peninsula, Jordan meets wealthy businessman Mikhail Barinov and his cousin Dr. Ivan Kolov. The men quickly prove to be as infuriating as they are attractive, but when she pries too deeply into their affairs Jordan ends up in way over her head. Mikhail and Ivan are among the last of an ancient race capable of shifting between man and bear, and they will do whatever is necessary to protect their secret. More alarming still, both men are on the verge of being consumed completely by their wild natures. In order to avoid losing control they must claim a mate as soon as possible, and they have decided that Jordan will be that mate. Though Jordan is far from ready to submit to one stern alpha male, let alone two, Mikhail and Ivan's bold dominance leaves her burning with need and when an act of disobedience earns her a painful, embarrassing bare-bottom spanking she cannot hide her helpless arousal. In spite of her situation, Jordan soon finds herself falling in love with both Mikhail and Ivan, but can she trust her Russian bears to keep her safe in this dangerous land? Publisher's Note: Her Russian Bears includes spankings and sexual scenes. If such material offends you, please don't buy this book.

So why can't he get the one girl who wants it all out of his head? Hillary Morrow has learned all too well that D/s relationships don't always have fairy tale endings--the last dominant she met online betrayed her trust in every possible way. But that hasn't stopped her from giving her heart away to the most commitment-phobic dominant in Boston: Matteo Angelico. When Matteo offers to give her the accountability and discipline she needs, she eagerly accepts, even when she finds herself taken across his knee. As Hillary and Matteo's siblings plan their wedding, the two of them find

themselves in frustratingly romantic scenarios, but still manage to maintain a semblance of distance. However, when Hillary finds herself the target of a stalker, she and Matteo are thrown together and sparks fly. Hillary trusts Matteo to keep her safe from the stalker... but who will protect Hillary's heart from Matteo?

Berserkers Bonded to the Berserkers Berserker Babies Night of the Berserkers Owned by the Berserkers Tamed by the Berserkers **Taking The Human** Jun 18 2021 He took everything from her ... and she found the only thing she ever really needed. For Alisse Southwick, the problem wasn't just the musclebound 8 foot tall alien who'd taken her from everything she'd ever known. No, the problem was she was seriously contemplating trading the knowledge that unlocked the secrets of the universe, in exchange for her freedom — sexual and otherwise. She was a woman of science, yes, but why did the alien holding her captive have to look like something out of her darkest wet dreams? From the moment he'd set eyes on her, Lukanos knew only one thing: he had to have her. But there was one minor problem — she was a human. To even show himself to a human — let alone abducting one — was against every law of his people. But each time he looked at her, those sparkling, keen eyes, the long, sable hair, and the lush, shapely body human females were notorious — and celebrated — for, his resolve to follow the law, to obey his people's sacred Directive, was in serious danger of crumbling. He knew he wasn't supposed to want her — but he knew somehow, somehow, she would be his — whether she was ready for it or not. Taking a human being was much more than an abduction though — it was a taboo act. Fearing he'd lose more than his commission in the Scout Corps, Lukanos quickly learned he was far from the only one of his people obsessed with human females. He wasn't the only one keeping a female slave. The repercussions for capturing humans were serious, but Lukanos was prepared to endure them. He'd endure almost anything to make the gorgeous human his, in every way. But what's a captor supposed to do when he begins to fall for his captive? Does he keep her as the only thing she'll ever be on his world — a sexual plaything? Or must he — for the first time in his life — do the right thing? Publisher's Warning: This science fiction dark erotic romance is intended only for mature audiences. 18 and over only! Bride of the Trogarians May 06 2020 As the nations of Earth collapse into chaos amid a steadily worsening environmental catastrophe, Iris makes the choice to leave her dying world behind and seek refuge on the far-off planet of TraoX39, where human females are in high demand as brides. But upon her arrival, she soon realizes that her new life will be far different than she was led to believe. Though she was promised the right to refuse any match, when Iris dares to reject a rich, decadent oaf who fancies her, she finds herself in deep trouble. After a humiliating public punishment, she is brought to a remote settlement inhabited by the rugged, battle-hardened Trogarian tribe and given as a gift to their chieftains. The two huge, handsome Trogarian warriors waste no time in making it clear that Iris is to be their obedient, submissive bride, and when she defies them she quickly discovers that there are punishments much more shameful than a mere bare-bottom

spanking. Yet in spite of everything, their mastery of her body sets Iris on fire with passion in a way she has never experienced, and before long she is delighting in being shared by her fierce, dominant mates. But the Trogarians have powerful enemies, and soon her adopted people are caught up in the scheming of foes as cunning as they are evil. Can Iris help set things right and save the men she has grown to love before it is too late? Publisher's Note: Bride of the Trogarians includes spankings and sexual scenes.
