**A Modern Couple's Guide to Female-Led Relationships** Jul 20 2021 Nowadays many people are becoming more and more aware to the concept that not all relationships are the same. What works for some people certainly does not suit others. Love and affection need not be confined to labels and strict definitions, because the spectrum of what constitutes a relationship is broader than many people imagine. The foundation of a great relationship is built on a solid platform comprised of love, trust, respect and above all, communication. But there are so many different ways of expressing these things, and no relationship is "one size fits all." For many people, the phrase "traditional relationship" conjures an image of a subordinate woman, with the man ruling the roost. While this is no longer seen as an absolute standard, it still has resonance with lots of people. And while a large majority of people prefer a more egalitarian approach to relationships, that doesn't work for everyone either. Female led relationships are often misunderstood, but are more common than you might think. In this type of relationship, the woman is the dominant partner and her partner is

the willing subordinate. We'll be exploring the dynamics of this type of relationship in this guide, and the various aspects and benefits it has to offer. You may find yourself more intrigued than ever before.

**The Transgender Guide** Apr 16 2021 Transgender is not the same as being transsexual. A transsexual was born one gender and transitions to the other. A transgendered person can be a man who is married to a woman. This man may dress in women's clothing, expressing himself as a woman at times. Gender has its roots in the mind, if you will. The Transgendered person doesn't relate only to the sex they were born into. They may not feel comfortable in identifying with a sexual identity at all. They can see themselves not as a man or woman, just as a human. Transgendered people have their identity in many facets. A transgendered woman may dress like a man. She may feel a stronger foundation within a suit and tie. She can be gay, straight or bi-sexual. The confinement of a term at all may seem limiting to a transgendered person. Can we just be who we are, not what our sex makes us?

(Reviewed in the United States on April 16, 2021) Excepting works by the revered Ann Michelle, this is the best forced feminization novel I've ever read (and I've read--or tried to read--most). The plot is standard but smoothly executed. No corners are cut; every step of Joe's ushered transition to Josie is lovingly described and his crossdressing dilemmas are both pathetic and delectable...

**Sissy Central** Oct 30 2019 Humiliation and realizing fantasies of serving her like a true maid -- a REAL "slave" -- and a "woman", completing all the womanly tasks for your "man" (her!) is the real turn on for most guys here when it comes to sissy fantasies. And for the ladies -- it's all about having their cake -- and eating it too -- as it really should be! The dressing up, verbals and eventual cuckolding etc are great and necessary but they're the icing on the cake (a most delicious one) in my opinion! This truly IS the most comprehensive manual out there on this subject. Without further ado, then - what you'll learn from this manual -- If you're a dominant Lady ... -You'll learn how to take your current D/s relationship to the next level altogether -- in a way that there will never truly be a point of "return" -How to "have your cake and eat it too" -- not only in bed, but in LIFE as well. -How to develop an unshakeable sense of confidence -- that comes from doing what it normally "forbidden", and yet getting away with it -- and the sense of having several men lusting after you at once, and being in the position to pick and choose the one YOU want for the night -- with NO drama from your S.O. in this regard! -How to say goodbye to all forms of housework forever and ever. Do this right, and you'll never bother about doing ANY housework again - he'll be literally BEGGING you to do it!-How to make sure that YOU are the one pushing him to get involved in said scenarios -- as opposed to what it is normally i.e. the man "pushing" his S.O. to get involved in something she's "not really into". -How to reinforce your place at the TOP of the hierarchy as the alpha female you truly are -- never sully your beautiful hands with cooking, cleaning or any form of annoying housework --and with your choice of "real" men as and when you see fit! If you're a man ... -Ensure that your D/s life is never the same again once you incorporate sissy play into it, and she truly "starts to have her cake, and eat it too!" -How to ensure she's relaxed and ready to sissify you -- and how to make sure she slowly morphs into the Dominant lady of your dreams that you've always craved! -How to remove all "whys and wherefore's" in terms of "why do you want to be humiliated like this", and "why would you want me to do that". The key lies in influencing your subconscious to believe that what you're doing is the right way -- for both of y'all -- and this little manual gives you the tips and techniques that if used over a period of time will influence your subconscious in such a manner that this sort of a lifestyle will become the "norm" for you. -How to realize and EXPERIENCE the pleasures of "sharing truly is caring" -- especially when it comes to female bonding -- for you as a sissy and her as your Domina -- preferably over a large, juicy, real man cock!-How to understand something that men over the ages would have done well to understand -- that being to keep your woman happy in all regards, with scant, or any regard to your own orgasms. This might sound strange at first, but read on, and you'll understand what I'm talking about. -How to come to terms with the fact that for a sissy, a "cock" is but a mere appendage (as are the balls) via which bodily "waste" (and yes, sissy cum IS a waste) is made to "exit". Other than peeing, this appendage serves NO practical purpose, and should be treated as such. Ditto for the balls! -Sissies don't deserve "real man sex" -- only REAL men do. Sissies need, crave and deserve sex via their "man pussies" -- and you'll learn how to condition your mind and body expertly to the same effect via these tips -- so much so that you'll literally be kissing your Madam's feet asking for more -- sissy orgasms -- as opposed to REAL orgasms!The above bullet points encapsulate but a FEW of the things you'll learn from this manual. There is truly something for everyone here!

**The Sissy Test** Oct 11 2020 A few years back the term "sissy" was used in a pejorative manner to describe a man who was a "little feminine", had a "girly taste" in colors and style, and was interested in things considered to be meant "only for women". If you are saying, "What's wrong with that"...well, there is nothing wrong with that...but it was considered to be wrong in the past. Things have changed now. Gender identities are no longer confined to "male" and "female". You could be a cross-dresser or a transgender or a transsexual and you are absolutely fine and have the same legal rights as those who confirm with the two main gender identities of male and female. Sissy is no longer a negative word. People are actually proud to be a sissy. But what about you? Are you a sissy? Are you confused? May be you are not sure whether you are a sissy or not? Well, don't you worry...take this quiz and find out whether you are a sissy or not? Once you are through answering the questions, check out the scoring chart at the end and tally up your scores to find out where you stand on the macho and sissy scale. Good luck!

**How To Feminize Your Body** Jun 26 2019 The topic is male-to-female transformation. Some people call it makeover, that works too. The text is written predominantly from the view that you are new to crossdressing and feminisation but want to develop a female persona of some kind be it permanent or just for a temporary indulgence. If you are an old hand then you may also find a few helpful tips or insights that will further enhance your look, style, or dressing technique. An assumption is that you were not socialised as a girl. As a result, we need to revisit and spend time on all the little things females seem to find so natural and take for granted. Getting in touch with your femininity is a mixture. An ensemble if you will of lots of things. When you see an ultra-feminine woman, the way she acts and dresses, the way she walks and talks, and oozes sensuality you know there is something more going on than just putting on a dress. Part I considers what you want to achieve with your girl time. We look at what makes us physically one sex or another and how flexible and open this is to change. Then we move onto how to treat your body right and indulge in all those

little things that make a woman feminine. In Part 2 we go on to consider ways to sculpt or contour your body so that it remains in proportion but more idealistically female. We look at boobs, butts, and tucking. In Part 3 we move onto dressing the body. We consider the wonderful world of sexy lingerie and underwear and how the right materials and textures can give you that lovely feminine feel. Then we look at clothes and how the right cut and hang of materials as well as patterning and combinations can flatter your figure. And, finally we consider movement and deportment. In particular, how to walk in those ultimate expressions of female sexuality your heels. \*\*\*\*The material is arranged into nine helpful chapters that not only produce a more female appearance but also develop feminine traits and work on your socialisation into female ways. We also give you a shopping list for the things you need at each stage. Chapter 1 looks at why people dress and the idea of being feminine. Chapter 2 considers the limits of biology and how easy it is to physically change from male to female. Chapter 3 looks at ways to pamper your body and get that healthy smooth skinned look. Chapter 4 considers body types and how you can use foundation wear to get your female proportions just right. Chapter 5 is all about breasts and how to design your perfect female boobs. Chapter 6 does the same for bottom shapes and how to pad and tuck to get that all girl profile. Chapter 7 looks at lingerie and the essentials for your intimate wardrobe. Chapter 8 shows you how to dress right for your body type and get the best look you can with your proportions. We consider cuts of clothes and the type of shoes that every girl should know about. **The Dominatrix Manual** Apr 04 2020 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

**Male Chastity Keyholder Guide** Jul 08 2020 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

**BDSM** Jun 06 2020 What makes people want to be kinky? Doctors have discovered that they did not come from overly violent homes, nor are they social outcasts that live on the edge of society, they are normal everyday people that have jobs, families, and social responsibilities. The truth is that some of us are gifted with a desire for the mystery and control of kink while others are not. For centuries, kink has been hidden in the deepest closets and become the shame and secret that people hide. We are just now achieving a comfort level with sexuality that allows for people to be more open about their desires without persecution. Let's start with what kink is and is not. Some call it BDSM which simply stands for bondage & dominance and sadism & masochism. The two terms used to be separate and now they are used in unison to describe more accurately the strong connection between the two. Kink is many things to many people to some it is the one outlet that can be used to lose complete control and become an obedient submissive. To others, it is a way to dominate and express appreciation for another through discipline. Some practice kinks on themselves and do not require a partner for arousal. Kink involves many areas of sexual play and is considered an underground subculture that can be a one-time event or a lifestyle. With all of the elements available for a kink enthusiast, it is difficult to know where to get started for a decent drive by education. This book contains a short synopsis of kink but is not a complete education and does not claim to be. Kink is a lifestyle and with all lifestyle choices must be experienced and lived to be fully learned. I can read a book about surviving in the wilderness, but that doesn't mean that I can actually survive.
