The 6 Most Important Decisions You'll Ever Make
Feb 12 2021 From the author of the wildly popular bestseller *The 7 Habits of Highly Effective Teens* comes the go-to guide that helps teens cope with major challenges they face in their lives—now updated for today’s social media age. In this newly revised edition, Sean Covey helps teens figure out how to approach the six major challenges they face: gaining self-esteem, dealing

with their parents, making friends, being wise about sex, coping with substances, and succeeding at school and planning a career. Covey understands the pain and confusion that teens and their parents experience in the face of these weighty, life-changing, and common difficulties. He shows readers how to use the 7 Habits to cope with, manage, and ultimately conquer each challenge—and become happier and more

productive. Now updated for the digital and social media age, Covey covers how technology affects these six decisions, keeping the information and advice relevant to today’s teenagers. *Daily Reflections For Highly Effective Teens* Sep 02 2022 Daily selections of quotes, ideas, and inspirational thoughts offer teenagers guidance for improving their self-image, building friendships, achieving their goals, making important decisions, and

gaining self-confidence

Letters to Asher

Dec 13 2020

Letters to Asher is a personal and poignant collection of a grandfather's advice, counsel and wisdom to his grandson, who is on the daunting journey to becoming a man.

The letters encourage him to consider and define early decisions critical to successfully transitioning from childhood to adulthood. Key topics include personal integrity, spirituality, education, sexuality, appearance, relationships, controlled substances, marriage and health. Letters to

Asher challenges teens and young adults, men and women, to face life-defining choices, to examine why they make them, to establish their own values and to assume ownership of them. This rational approach empowers the critical thinking steps necessary to understanding the wisdom of making choices in advance rather than on impulse. Letters to Asher also serves as a powerful tool to foster meaningful conversations with mentors and parents, grandparents, teachers, counselors, coaches, youth leaders, pastors and anyone investing in the lives of future generations. Letters

to Asher reflects a Christian worldview.

Coin of Indecision

Apr 16 2021 This is not your typical self-help book with airy-fairy, unpractical ideas that won't help you succeed. No, this is all about helping you make the RIGHT decisions! The decisions that are best for YOU! Soon, you'll easily be making decisions that are in alignment with who you are at your most basic and core self. Coin of Indecision will help you: -Get to know yourself better -Get rid of the worry and stress of decision making -Put yourself first in the decision making process -Learn to live your passion -

Be okay with where you are currently - Learn to take action-any action - Stop letting fear rule your decision making process - Create the reality you know you want and deserve When you use the tools included in the Coin of Indecision, you'll make choices faster, easier and in alignment with what is most important to you. [Fourth Down and Life to Go](#) Jan 02 2020 [Hacking Growth](#) Jan 14 2021 The definitive playbook by the pioneers of Growth Hacking, one of the hottest business methodologies in Silicon Valley and beyond. It seems hard to believe today, but there was a time when

Airbnb was the best-kept secret of travel hackers and couch surfers, Pinterest was a niche web site frequented only by bakers and crafters, LinkedIn was an exclusive network for C-suite executives and top-level recruiters, Facebook was MySpace's sorry step-brother, and Uber was a scrappy upstart that didn't stand a chance against the Goliath that was New York City Yellow Cabs. So how did these companies grow from these humble beginnings into the powerhouses they are today? Contrary to popular belief, they didn't explode to massive worldwide popularity simply by building a great,

product then crossing their fingers and hoping it would catch on. There was a studied, carefully implemented methodology behind these companies' extraordinary rise. That methodology is called Growth Hacking, and it's practitioners include not just today's hottest start-ups, but also companies like IBM, Walmart, and Microsoft as well as the millions of entrepreneurs, marketers, managers and executives who make up the community of Growth Hackers. Think of the Growth Hacking methodology as doing for market-share growth what

Lean Start-Up did for product development, and Scrum did for productivity. It involves cross-functional teams and rapid-tempo testing and iteration that focuses customers: attaining them, retaining them, engaging them, and motivating them to come back and buy more. An accessible and practical toolkit that teams and companies in all industries can use to increase their customer base and market share, this book walks readers through the process of creating and executing their own custom-made growth hacking strategy. It is a must read for any marketer, entrepreneur,

innovator or manager looking to replace wasteful big bets and "spaghetti-on-the-wall" approaches with more consistent, replicable, cost-effective, and data-driven results.

City Making in Paradise Dec 01 2019 Time and again, Vancouver is recognized internationally as one of the best places to live. It achieved that reputation by breaking rules and forging its own brand of North American urbanism. City Making in Paradise details the nine most important decisions made in the Greater Vancouver region since the 1940s. Authors Mike Harcourt and Ken Cameron,

themselves key players in several of these developments, reveal the political machinations, the ideological struggles and the personal commitment that lay behind each one. By tracing today's successes back to their roots, they illustrate their central theme; that cities are the result of the daily choices we make as leaders, activists and citizens.

The 7 Habits of Highly Effective Teens: Workbook
Jun 30 2022 This completely updated and redesigned personal workbook companion to the bestselling *The 7 Habits of Highly Effective Teens* provides engaging activities,

interactives and self-evaluations to help teens understand and apply the power of the 7 Habits. Sean Covey's *The 7 Habits of Highly Effective Teens* has sold more than 2 million copies and helped countless teens make better decisions and improve their sense of self-worth. Pairing new interactives with modern explanatory graphics, *The 7 Habits of Highly Effective Teens* workbook reaches today's teen generation effectively.

You Are What You Decide May 18 2021 Every day, you make -- or avoid -- decisions. Every day your choices determine who you are. You are what

you decide. Reader praise for *You Are What You Decide*: Sherm Bodner, President and Publisher, Gannett Central New York Media: "You Are What You Decide is a concise book that distills complex ideas into a straightforward, highly readable framework. Sean Brady combines personal history, business anecdotes and management theory to create an actionable approach to decision-making that will be useful to veteran leaders and novice managers alike." Andrew Tait, Chief Technology Officer, Decision Mechanics Limited: "Sean Brady distills twenty years of experience helping,

people make decisions into the Eight Keys that you need to improve your decision-making. While books like Daniel Kahneman's "Thinking Fast and Slow" bring theoretical ideas to a mass audience, they are still relatively technical and abstract in nature. *You Are What You Decide* takes a big step towards real-world decision-making showing how anyone can improve their decision-making capability by adopting a few simple behaviors. Highly recommended." John Sipple, Associate Professor, Cornell University: "*You Are What You Decide* is a great book. While I am

typically suspicious of leadership and self help books as a quick diversion and money grab, this is a remarkably insightful and useful book that provides a depth and grounding for your own personal and professional decision-making. Filled with Sean's own insights and experiences, I find the book immensely relevant and poignant without being preachy or condescending. I look forward to reading it a second time." Michelle Bradley, Superintendent, Lockport City School District: "*You Are What You Decide* presents complex ideas simply in a very engaging, rapid read. While reading

the book, I focused on how the Eight Keys could help Lockport City School District's leadership teams advance their work for improving student achievement. We will use this outstanding resource as we continue to perfect our leadership skills and the use of our data driven inquiry cycle at the classroom, building, and district levels." Greg Zlevor, President, Westwood International: "Decision-making is one of - if not the most - critical skills for effective leaders. Knowing how and what to decide is essential in all leadership positions. As a matter of fact,

people often become leaders based upon their decision-making skill - it is that important. Thankfully Sean Brady has taken the time to share his abundant wisdom and experience with decision-making in *You Are What You Decide*. If you are a leader or if you want to lead well, please read about the Eight Keys. You and the people you work with will be glad that you did." *The Russian Origins of the First World War* Feb 01 2020 In a major reinterpretation, Sean McMeekin rejects the standard notion of the war's beginning as either a Germano-Austrian pre-emptive strike or a miscalculation. The key to the

outbreak of violence, he argues, lies in St. Petersburg. Russian statesmen unleashed the war through policy decisions based on imperial ambitions in the Near East. *Atomic Tragedy* Jul 20 2021 Looks at the decision-making process and struggle of Secretary of State Henry L. Stimson as he oversaw the American nuclear weapons program during World War II and his responsibility for using the atomic bomb against Japan. [The 6 Most Important Decisions You'll Ever Make](#) Nov 04 2022 Covey gives teens the strong advice they need to make informed and wise

decisions that allow them to navigate the challenges and stresses they encounter in daily life.

Effective Teens. It's the perfect time to develop a growth mindset. Want to discover life-changing habits that will propel you toward a more productive and effective life? This compact adaptation of Sean Covey's all-time international bestseller, *The 7 Habits of Highly Effective Teens*, offers an efficient—yet in-depth—guide to becoming your best self and reaching your goals. Less stress, more success. Readers who have never learned *The 7 Habits* before—as well as longtime fans who want a refresher—will find wisdom, direction, self-reflection, and challenges that easily can be

applied to your academic and personal life. *The 7 Habits for Teens on the Go* isn't just a productivity planner or habit tracker. If you'll devote just minutes each day, you can develop the principles needed to stay proactive and positive. The positive paradigm shifts that *The 7 Habits* can produce help you: Break free of old beliefs Motivate toward meaningful change. Develop positive behaviors to bring clear communication
Decision #1: How to Succeed in School Mar 28 2022 With all the homework, tests, gossip, and anxious parents, school can be a major source of stress. But why is

school so important? *Decision #1* explores how the way in which you handle your education can be the key to success or failure and discusses important topics, including: - How school affects your money-making potential - Finding motivation when you have none - The 7 secrets to getting good grades - Rising above a learning disability - Preparing and paying for college - Finding what you're good at
More Than You Know Aug 21 2021 Since its first publication, Michael J. Mauboussin's popular guide to wise investing has been translated into eight languages and has been named

best business book by BusinessWeek and best economics book by Strategy+Business. Now updated to reflect current research and expanded to include new chapters on investment philosophy, psychology, and strategy and science as they pertain to money management, this volume is more than ever the best chance to know more than the average investor. Offering invaluable tools to better understand the concepts of choice and risk, More Than You Know is a unique blend of practical advice and sound theory, sampling from a wide variety of sources and

disciplines. Mauboussin builds on the ideas of visionaries, including Warren Buffett and E. O. Wilson, but also finds wisdom in a broad and deep range of fields, such as casino gambling, horse racing, psychology, and evolutionary biology. He analyzes the strategies of poker experts David Sklansky and Puggy Pearson and pinpoints parallels between mate selection in guppies and stock market booms. For this edition, Mauboussin includes fresh thoughts on human cognition, management assessment, game theory, the role of intuition, and the mechanisms driving

the market's mood swings, and explains what these topics tell us about smart investing. More Than You Know is written with the professional investor in mind but extends far beyond the world of economics and finance. Mauboussin groups his essays into four parts-Investment Philosophy, Psychology of Investing, Innovation and Competitive Strategy, and Science and Complexity Theory-and he includes substantial references for further reading. A true eye-opener, More Than You Know shows how a multidisciplinary approach that pays

close attention to process and the psychology of decision making offers the best chance for long-term financial results.

Man's Search For Meaning Oct 30 2019 Over 16 million copies sold worldwide 'Every human being should read this book' Simon Sinek One of the outstanding classics to emerge from the Holocaust, Man's Search for Meaning is Viktor Frankl's story of his struggle for survival in Auschwitz and other Nazi concentration camps. Today, this remarkable tribute to hope offers us an avenue to finding greater meaning and purpose in our own lives.

The Ultimate Girls' Body Book Mar 16 2021 Because Growing Up Shouldn't Be a Mystery Girls' bodies do the craziest things! They can kick soccer balls and spin perfect pirouettes, or they can trip up the stairs and break out in zits. As you grow and your body goes through some pretty wild changes, you might be wondering things like: Why don't I look like her? I have to use that? Is this normal? And, Why is this happening to me? *The Ultimate Body Book for Girls* answers all those awkward questions you'd rather not ask your mom—at least out loud. Mixing fun with great advice,

you'll learn about bras, boys, periods, pimples, and so much more. Most importantly, you'll learn that God made you exactly the way he wants you—no matter how weird growing up can be.

The 7 Habits of Happy Kids Nov 23 2021 In *The 7 Habits of Happy Kids*, Sean Covey uses beautifully illustrated stories to bring his family's successful philosophy to the youngest child. For the Seven Oaks friends, there is always something to do. Whether they're singing along with Pokey Porcupine's harmonica or playing soccer with Jumper Rabbit, everyone is having fun and learning all

sorts of things. These seven stories show how practicing the 7 Habits makes this possible for the whole Seven Oaks Community. From learning how to take charge of their own lives to discovering how balance is best, the Seven Oaks friends have tons of adventures and find out how each and every kid can be a happy kid!

Decision #2: How to Make and Keep Good Friends Oct 23 2021 Being a teen can be tough—especially when it comes to trying to fit in. People will judge you because you don't have a perfect body or wear the right clothes, or maybe you just moved to a new

town and don't know anybody at all! Who you choose as friends and the kind of friend you choose to be is important. Decision #2 will help you learn about: - Surviving the popularity game - What to do when you don't have any friends -Being the kind of friend you'd like to have - Surviving gossip and drama -What you need to know about cliques and gangs -Standing up to peer pressure

Decision #5: How to Avoid Addictions Jun 26 2019 Teens today face so much peer pressure to binge-drink, smoke, do drugs, and try any number of other things. And while it may seem like everyone else is

doing it, addiction is a serious consequence. Decision #5 talks about: -The three brutal realities of addiction -The truth about alcohol, tobacco, meth, ecstasy, steroids, cocaine, prescriptions, inhalants, and more -This is not your parents' marijuana! -Conquering an addiction -The drug of the twenty-first century

The 4 Disciplines of Execution: Revised and Updated Jul 28 2019 Do you remember the last major initiative you watched die in your organisation? Did it go down with a loud crash? Or was it slowly and quietly suffocated by other competing priorities? By the time it finally

disappeared, it's likely no-one even noticed. What happened? The whirlwind of activity required to keep things running day to day devoured all the time and energy you needed to invest in executing your strategy for tomorrow. The 4 Disciplines of Execution can change all that forever. The 2nd Edition, with more than 30 percent new content, presents a simple, repeatable, and proven formula for executing your most important strategic priorities. Used by more than 100,000 teams around the world in business, government, and education, the 4 Disciplines are

forever changing how teams and organisations achieve their most important goals. It represents a new way of thinking essential to thriving in today's competitive climate, making this a book that no business leader can afford to miss.

Wisdom from Rich Dad, Poor Dad May 30 2022 A mini abridgement of the #1 Personal Finance book of all time, *Wisdom from Rich Dad Poor Dad* tells the story of Robert Kiyosaki and his two dads—his real father and the father of his best friend, his rich dad—and the ways in which both men shaped his thoughts about investing. You don't need to earn a high income

to be rich—find out the difference between working for money and having your money work for you.

Transition Point:
From Steam to the Singularity Mar 04 2020 A tale of technological revolutions, human evolution and the potential for a utopian or dystopian future. The impact of the next wave on business, the economy, society and the future of humanity. A unique book of three intertwined parts that bring together history, economics, business theory, social commentary, disruptive technology and futurism

comparative historical analyses of Iran, Jordan, and Kuwait, Sean L. Yom examines the foreign interventions, coalitional choices, and state outcomes that made the political regimes of the modern Middle East. A key text for foreign policy scholars, *From Resilience to Revolution* shows how outside interference can corrupt the most basic choices of governance: who to reward, who to punish, who to compensate, and who to manipulate. As colonial rule dissolved in the 1930s and 1950s, Middle Eastern autocrats constructed new political states to solidify their reigns,

with varying results. Why did equally ambitious authoritarians meet such unequal fates? Yom ties the durability of Middle Eastern regimes to their geopolitical origins. At the dawn of the postcolonial era, many autocratic states had little support from their people and struggled to overcome widespread opposition. When foreign powers intervened to bolster these regimes, they unwittingly sabotaged the prospects for long-term stability by discouraging leaders from reaching out to their people and bargaining for mass support—early coalitional decisions

that created repressive institutions and planted the seeds for future unrest. Only when they were secluded from larger geopolitical machinations did Middle Eastern regimes come to grips with their weaknesses and build broader coalitions.

The 4 Disciplines of Execution Apr 28 2022 BUSINESS STRATEGY. "The 4 Disciplines of Execution" offers the what but also how effective execution is achieved. sex. Decision #4 gets into stuff like: - Dating intelligently -So you don't date...so what? -The problem with centering your life on your girlfriend or boyfriend - Spotting red flags in a relationship - What are STDs and why should I care? - Debunking the four great myths about teens and sex

Sorry Not Sorry

May 06 2020 Funny and deeply personal, Sorry Not Sorry recounts Glee star Naya Rivera's successes and missteps, urging young women to pursue their dreams and to refuse to let past mistakes define them. Navigating through youth and young adulthood isn't easy, and in Sorry Not Sorry,

Naya Rivera shows us that we're not alone in the highs, lows, and in-betweens. Whether it's with love and dating, career and ambition, friends, or gossip, Naya inspires us to follow our own destiny and step over--or plod through--all the crap along the way. After her rise and fall from early childhood stardom, barely eking her way through high school, a brief stint as a Hooters waitress, going through thick and thin with her mom/manager, and resurrecting her acting career as Santana Lopez on Glee, Naya emerged from these experiences with some key life lessons: Sorry: - All those times I

scrawled "I HATE MY MOM" in my journal. So many moms and teenage daughters don't get along--we just have to realize it's nothing personal on either side. - At-home highlights and DIY hair extensions. Some things are best left to the experts, and hair dye is one of them. - Falling in love with the idea of a person, instead of the actual person. Not Sorry: - That I don't always get along with everyone. Having people not like you is a risk you have to take to be real, and I'll take that over being fake any day. - Laughing at the gossip instead of getting upset by it. - Getting my financial disasters out of the way

early--before I was married or had a family--so that the only credit score that I wrecked was my own. Even with a successful career and a family that she loves more than anything else, Naya says, "There's still a thirteen-year-old girl inside of me making detailed lists of how I can improve, who's never sure of my own self-worth." Sorry Not Sorry is for that thirteen-year-old in all of us. *Lily and the Yucky Cookies* Jun 18 2021 Learn to listen with more than your ears with the 7 Oaks gang in this Level 2 Ready-to-Read edition of the fifth book in the 7 Habits of Happy Kids series from Sean Covey and Stacy Curtis. On a

rainy day, Lily wants to make cookies. But instead of paying attention to the recipe, she tells her dad she knows what she is doing. What could go wrong? Lily comes to understand the importance of listening—not just with your ears, but your eyes and heart as well! Each of the Level 2 Ready-to-Reads in this winning series focuses on one of the 7 Habits of Happy Kids. [Navigating College With the 7 Habits](#) Nov 11 2020 A Guide for College Success A step-by-step advice eBook: Written by author, speaker, and innovator, Sean Covey, this guide for college students lays out a detailed

path to success. As President of FranklinCovey Education, Covey has long been dedicated to transforming education. In this step-by-step book, Covey shares how to establish habits that lead to a more effective learning experience. Gain academic and life skills: Studying and retention skills are incredibly beneficial to student life, but so are essential life skills such as communication and time management. By discovering the value in both academic and life skills, students can better establish and accomplish a vision for their education and success. Improve your overall college

experience: This book functions as an educational guide and self-help book for anyone in or approaching college. It provides students with the skills, tools, and mindset they need to succeed, and in this way, can help resolve anything from roommate issues to struggles with difficult classes. Strengthen your learning today with the help of Sean Covey in *Navigating College With the 7 Habits* and discover:

- Enhanced engagement in class and studies and motivation to stay in school
- Progress in gaining critical skills like money management, goal achievement, conflict resolution,

and health and wellness • Ways to adopt essential habits, such as “Be Proactive” and “Think Win-Win,” chapter by chapter

If other college guide books have interested you such as *On Course: Strategies for Creating Success in College and in Life*, *The Naked Roommate*, or *The Freshman Survival Guide*, then *Navigating College With the 7 Habits* should be your next read! of it. Nothing could be farther from the truth, argues Yale researcher Paul Bloom. In *AGAINST EMPATHY*, Bloom reveals empathy to be one of the leading motivators of inequality and immorality in society. Far from helping us to improve the lives of others, empathy is a capricious and irrational emotion that appeals to our narrow prejudices. It muddles our judgment and, ironically, often leads to cruelty. We are at our best when we are smart enough not to rely on it, but to draw instead upon a more distanced compassion. Basing his argument on groundbreaking scientific findings, Bloom makes the

case that some of the worst decisions made by individuals and nations—who to give money to, when to go to war, how to respond to climate change, and who to imprison—are too often motivated by honest, yet misplaced, emotions. With precision and wit, he demonstrates how empathy distorts our judgment in every aspect of our lives, from philanthropy and charity to the justice system; from medical care and education to parenting and marriage. Without empathy, Bloom insists, our decisions would be clearer, fairer, and—yes—ultimately more moral. Brilliantly argued,

urgent and humane, *AGAINST EMPATHY* shows us that, when it comes to both major policy decisions and the choices we make in our everyday lives, limiting our impulse toward empathy is often the most compassionate choice we can make.

The Leader in Me
Jun 06 2020

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It's based on a hugely successful

initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions

of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

The Teen's Guide to World

Domination Aug 28 2019 Josh Shipp has been serving up a healthy dose of "advice with an attitude" to millions of teens for over a decade, in front of packed auditoriums

across the country. For the first time ever, Josh is pulling together all of his unique advice for "world domination" into a must-have survival guide. Hilarious, inspirational, and authentic, Josh offers golden nuggets of wisdom for everything that has you freaking out (pretty much all the stuff you can't fathom addressing with Mom and Dad). So, summon your inner hero and learn to dominate the seven "villains" that are keeping you from awesomeness. GHOSTS: All your painful memories and bad mistakes, which are holding you back and causing self-doubt. Confront them once and for all NINJAS.

Back-stabbing "friends" who earn your trust to fulfill their own agendas. Call them out and they won't stand a chance PIRATES: Bullies and bad boyfriends who take advantage of you. Write them off and tune them out ROBOTS: Well-intentioned but misguided grown-ups, who want to "program" you to be like them. Understand how parents, teachers, and counselors operate to improve your communication VAMPIRES: Negative influences and addictions, which draw you in and steal your identity. Regain your self-esteem before you get bit ZOMBIES: Chronic complainers who

drag you down with their pessimism. The best zombie-repellant is gratitude! Learn that it's not what happens to you, it's how you respond PUPPIES: They seem all fun and innocent on the surface, but often blindside you with hidden consequences. Learn how to think smart about money, your hot girlfriend, and other temptations **Maid** Oct 11 2020 NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a

description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients'

triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government

programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not

hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

CEO Excellence

Sep 09 2020 "Based on extensive interviews with today's . . . corporate leaders, this look at how the best CEOs do their jobs focuses on the mindsets and actions that foster an environment of excellence"--
