Seberson Method Jul 09 2020 Further your SAT vocabulary knowledge to get farther down the road to success Seberson Method: New SAT® Vocabulary Workbook helps students master more than 700 high-frequency words that frequently appear on the test's Reading, Writing, and Essay sections. The book's approach reflects changes made to the SAT in recent years, focusing on more contextual vocabulary understanding than rote memorization. Each of the 145 bite-size lessons features a theme to help improve vocabulary retention, and each includes an activity to test understanding. It's a modern workbook designed to give college-bound students the edge needed to improve their SAT scores. The Seberson Method includes: Contextual learning--Vocabulary is organized into sections focused on real topics you'll encounter on the SAT such as history and science. Master tricky topics--Learn the difference between similar words and phrases with different meanings. Now or later--This focused approach works equally well for students who are taking the test in a week or in a year. This workbook is a perfect resource for anyone looking to master the SAT's vocabulary section with the most contemporary information and methods available.
