Each of the chapters will cover a specific type of depression and open with a case study example. Small will describe causes, symptoms, conventional treatments (e.g., medications, psychotherapy), alternative therapies (e.g., exercise, meditation, yoga, homeopathy), and novel therapies (e.g., transcranial magnetic stimulation [TMS]), as well as new scientific discoveries and interventions coming down the pike (e.g., focused ultrasound). *The Book of Gladness / Le Livre de Leesse* Jun 23 2019 *The Book of Gladness* (ca. 1380) contains one of the most powerful, original, and influential pro-feminine voices of the late Middle Ages. In a spirited riposte to the misogynist tradition, *Le Fèvre* (with the help of Gladness, his lady-persona) boldly reinterprets the Bible while questioning ancient authorities in the light of "true" experience, especially his own. Despite its foundational importance, this work has never been translated into English. The present prose translation is lively and accessible, yet thoroughly grounded in scholarship. An introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and marriage. Also included is the first-ever English translation and discussion of a newly discovered scribal interpolation on Christine de Pizan in a manuscript of Jehan Le Fèvre's Lamentations. The bibliography provides the first complete list of manuscripts containing the French Lamentations and *Le Livre de Leesse*.

**Rancher Archaeologist** May 03 2020 Sometimes childhood events can shape a person's destiny. Such was the case for George Frison. His father's accidental death meant that Frison was raised by his grandparents, thus experiencing life on a ranch instead of the small town childhood he otherwise would have had. The wealth of prehistoric artifacts on the ranch caught his attention.

Eventually, this interest prompted him to change his life's course at age thirty-seven. In this memoir, Frison shares his life's work and his atypical journey from rancher to professor and archaeologist. Herding cattle, chopping watering holes in sub-zero weather, and guiding hunters in the fall were very different than teaching classes, performing laboratory work, and attending faculty and committee meetings in air-conditioned buildings. But his practical and observational experience around both domestic and wild animals proved a valuable asset to his research. His knowledge of specific animal behaviors gave insight to his studies of the Paleoindians of the northern plains as he sought to understand how their stone tools were used most effectively for hunting and how bison jumps, mammoth kills, and sheep traps actually worked. Frison's careful research and strong involvement in the scholarly and organizational aspects of archaeology made him influential not only as an authority on the prehistory of the northern plains but also as a leader in Wyoming archaeology and Northern American archaeology at large. This book will appeal to both the professional and the lay reader with interests in archaeology, anthropology, paleontology, plains history, animal science, hunting, or game management. Frison's shift from ranching into the academic world of archaeology serves as a reminder that you are never too old to change your life.

**Why Trust Matters** Jul 05 2020 Have economists neglected trust? The economy is fundamentally a network of relationships built on mutual expectations. More than that, trust is the glue that holds civilization together. Every time we interact with another person—to make a purchase, work on a project, or share a living space—we rely on trust. Institutions and relationships function because people place confidence in them. Retailers seek to become trusted brands; employers put their trust in their employees; and democracy works only when we trust our government. Benjamin Ho reveals the surprising importance of trust to how we understand our day-to-day economic lives. Starting with the earliest societies and proceeding through the evolution of the modern economy, he explores its role across an astonishing range of institutions and practices. From contracts and banking to blockchain and the sharing economy to health care and climate change, Ho shows how trust shapes the workings of the world. He provides an accessible account of how economists have applied the mathematical tools of game theory and the experimental methods of behavioral economics to bring rigor to understanding trust. Bringing together insights from decades of research in an approachable format, Why Trust Matters shows how a concept that we rarely associate with the discipline of economics is central to the social systems that govern our lives.

**Let Trump Be Trump** Aug 18 2021 A New York Times Bestseller and #1 Wall Street Journal Bestseller! LET TRUMP BE TRUMP: THE INSIDE STORY OF HIS PRESIDENCY is the ultimate behind-the-scenes account of how he became President of the United States. Donald Trump was a candidate, and now a president, like none that have come before. His startling rise to the White House is the greatest political tale in the history of our republic. Much has been written about this once-in-a-millennium event but all of those words come from authors outside the orbit of Donald Trump. Now, for the first time, comes the inside story. Written by the guys in the room—two of Trump's closest campaign advisors—Let Trump Be Trump is the eyewitness account of the stories behind the headlines. From the Access Hollywood recording and the Clinton accusers, to Paul Manafort, to the last-moment comeback and a victory that reads like something out of the best suspense novel, Let Trump Be Trump pulls back the curtain on a drama that has mesmerized the whole world—including the palace intrigues of the Mooch, Spicer, Preibus, Bannon, and more. By turns hilarious and intimate, Let Trump Be Trump also offers a view of Donald Trump like you've never seen him, the man whose success in business was built not only on great skill but on loyal relationships and who developed the strongest of bonds with the band of outsiders and idealists who became his team because they believed in him and his message. Written by Trump's campaign manager, the fiery Corey Lewandowski, and Dave Bossie, the consummate political pro and the plaintiff in the famous Citizens United Supreme Court case who helped steer the last critical months of the Trump campaign, Let Trump Be Trump is destined to be the seminal book about the Trump campaign and presidency.

**Covenant Bible Study: Living Participant Guide** Jun 27 2022 This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship, which is summarized in the heading of each participant guide. COVENANT TRANSLATES INTO ACTIONS—into how we behave in our everyday lives. That's why the second module, Living the Covenant, focuses on how the community lives out their covenant in faithful love—how it's applied to actual relationships in daily life. The books included in these eight episodes examine the practical challenges of faithful covenant life. We explore leadership problems among tribal chieftains, kings and prophets, and spiritual and political crises. They look for practical wisdom and guidance in the teachings of Israel's sages, the letters of Paul, and more. And by demonstrating how people of vastly different cultures came together in a common purpose, they show how faithful love is the root of the covenant life. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Living Participant Guide is 8 weeks long, and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Living Participant Guide contains the following episodes: Episode 9: Ruth, Esther, Song of Songs Ruth, Esther, and Song of Songs are a part of the "Festival Scroll" and linked to sacred celebrations in Israel's life. In the story of Ruth, both Ruth and Boaz risk caring beyond conventional expectations, displaying faithful, expansive love with consequences for Israel's royal future. Esther risks everything to identify with her people and rescue them from a genocidal plot. Song of Songs displays the power and passion of a "crazy love" that also helps us understand God's love. Episode 10: Luke and Acts Luke and Acts offer a vision of who God is and what salvation means. For the writer of Luke, Jesus is a prophet who reveals God's heart and intention to remake human beings and the broader world through a new community gathered in Jesus' name: the church. Living out Jesus' prophetic role in the power of the Holy Spirit, the church continues God's call to changed hearts and lives. Through Jesus and the church, God's Spirit calls people to belong, serve, and love by welcoming those considered outsiders by the world. Episode 11: 2 Samuel, 1 and 2 Kings In these books the prophets serve as truth-tellers to Israel's kings. They stress that relationship rather than power is central to choosing what's best for the people God loves. Kings are at their best when they are moved by compassion that trumps every preoccupation with power. Idolatry splits our attention and distorts our priorities, distracting us from the main thing: God alone is worthy of absolute loyalty and trust. Episode 12: 1 and 2 Thessalonians, 1 and 2 Timothy, Titus 1 and 2 Thessalonians are written to a community Paul loves—a community suffering and anxious about Jesus' return. 1 and 2 Timothy and Titus (pastoral letters) are written to Paul's younger partners in ministry. While 1 Timothy is intimate, 2 Timothy reads like a last will and testament for Paul. Episode 13: Wisdom—Proverbs and Ecclesiastes Wisdom literature begins and ends with what is good for human beings in life. Starting with everyday insights gathered across time by courts scribes, these sayings are short and easy to remember. The wise person is one who understands these teachings and can apply them appropriately in real-life situations. Life is fragile and short, so wise people will enjoy family, friends, and the simple things in life. Episode 14: Philemon, Philippians, Colossians, Ephesians From a place where hope goes to die, an imprisoned Paul says that God is able to restore hope and encourages reconciliation between Philemon (home church leader) and his runaway slave (Onesimus). To the Philippians Paul passes on an early hymn that speaks of Jesus as the self-emptying, suffering servant exalted by God. Paul is a pastoral thinker and his words about slaves and masters must be understood in the context of Jesus' expected return. Episode 15: James, Jude, 1 and 2 Peter These letters are written to churches suffering harassment and struggling to keep the faith when Jesus' promised return hasn't occurred. They are written in the voice of those closest to Jesus and speak to new circumstances and situations. Concerned about real-life issues like gossip and favoritism toward the rich, James is a practical book stressing who God is and what you should do about it. Peter writes to guide the church in a negotiated faithfulness that requires discernment. Episode 16: Prophets—Isaiah 1-39 and the Book of the Twelve The prophets express the feelings of God: God's deep love for Israel and all of humanity, but also God's deep pain, disappointment, and anger when the people fail to be a loving community of neighbors. They also communicate God's yearning to call the people back to taking care of each other, especially those they are most likely to exclude (widows, orphans, strangers/immigrants). For prophets like Hosea, God has a parent's heart and refuses to give up on a faithless people. More Questions? Visit <http://covenantbiblestudy.com/> for more information.

**Covenant Bible Study: Trusting Participant Guide** Mar 25 2022 This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship, which is summarized in the heading of each participant guide. LIFE, AS WE ALL KNOW TOO WELL, IS IMPERFECT. Difficulties are inevitable. That's why the final eight-weeks, Trusting the Covenant, looks at the crises that sometimes call covenant life into question, and how we are restored to trust in God when troubling things happen. This module discusses the loss of hope, and how it is restored by faithfulness in the midst of suffering. From the story of Job, to the Hebrew exile, to the apocalyptic visions in Daniel and Revelation, we learn how faithful love is at work in everything—to restore hope, freedom, and wholeness to our lives. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Trusting Participant Guide is 8 weeks long, and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Trusting Participant Guide contains the following episodes: Episode 17: John; 1, 2, and 3 John For John the God we meet in Jesus is the one who keeps coming into the world, going out of the way to be in relationship with us. Jesus meets his followers in whatever ways they need with new and abundant life. Jesus draws people back into community and promises the Holy Spirit to those who follow him. Episode 18: Psalms Psalms are songs, poems, and prayers to and about God. There is diversity of authorship across the Psalms. Three major types of psalms are laments, thanksgiving psalms, and psalms of praise. The psalms are user-friendly and give voice to our conflicts, confessions, and cries for God's rescuing help. The Psalms teach us how to pray and that God's primary character trait is faithful love. Episode 19: Job Like the Bible as a whole, the book of Job offers a number of voices or perspectives. Job stages difficult human questions such as, "Why do human beings worship God?" or "Why do people suffer?" and even, "what is God's role in suffering?" The book of Job also asks, "Does good behavior bring blessing?" and "Does bad behavior bring curse and suffering?" Episode 20: Jeremiah, Lamentations, Ezekiel Jeremiah, Lamentations, and Ezekiel offer three different perspectives on the same catastrophic event: the Babylonian destruction of Jerusalem in 587 CE and the exile of God's people to a foreign land. These books affirm the power of lingering with sorrow so we can hear the voices of those who are suffering. Any hope found in these books remains in the promise that God will bring life to dry bones or write a new covenant on hearts in a blessed but distant future. Episode 21: Isaiah 40-66 The story of how Israel gained and lost the land becomes a treasure that they carry with them into exile. The poetry in these passages is written to inspire and invite God's homesick people in Babylon to become pioneers and return home to Israel. The God of Israel is no regional deity but is the one and only God of all, everywhere and all the time. Through fire and water, chaos and captivity, the people called by God and redeemed by God also belong to God. Episode 22: 1 and 2 Chronicles, Ezra, Nehemiah The people returning home from exile in successive waves must rebuild their whole way of life. Ezra and Nehemiah look at the practical need for city walls and a center for worship. The Chronicler stresses the importance of "re-remembering" our story in the right way in order to understand who we are in this new life. The practices that sustained the people in exile will define a people who weren't old enough to remember life before exile. Episode 23: Apocalyptic—Daniel Apocalyptic literature is not primarily about future events. It looks at traumatic events in the present and finds a divine plan at work. By using vivid symbols and imagery, the court tales and visions of Daniel stress that God is ultimately controls human events. The identity of faithful people is defined by living faithfully according to the covenant teachings in a context where those values are under threat. Faith has its price, but our hope in God empowers us to never give up. Episode 24: Revelation Revelation is a book written for poor people struggling under great duress. It uses vivid, terrifying images to express God's unswerving faithfulness and the faithfulness of those who stand firm in the face of dehumanizing

forces in the world. The symbol of hope in Revelation is the new creation and loyal love between God and the faithful. This symbol provides comfort, courage, and assurance that the one who made a covenant with all things at the very beginning will be with us at the end of all things. More Questions? **Covenant Bible Study: Creating Participant Guide** May 27 2022 This Covenant experience will guide participants in a comprehensive, in-depth study of the Bible over twenty-four weeks. Unlike the learning participants may have experienced in other groups, this in-depth study of the whole Bible emphasizes the biblical concept of covenant as a unifying pattern through all the books in the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in love with God while we share signs of that love with others. Each episode connects to an aspect of this covenant relationship, which is summarized in the heading of each participant guide. GOD ESTABLISHES THE COVENANT to be in relationship with us. So the first eight weeks, Creating the Covenant, examines how the covenant community is created and established—highlighting several examples throughout scripture. It discusses the story of our origins in Genesis, the Exodus narrative, the teachings of Moses, the Gospels of Matthew and Mark, as well as other books from each Testament that focus on the foundation of Christian faith. In doing so, it lays out the framework for a life lived in concert with God and others. Each participant in the group needs the Participant Guides and a Bible. The CEB Study Bible is preferred. The Creating Participant Guide is eight weeks long, and has a lay flat binding making it easy to take notes in the generous space provided on each page. The Creating Participant Guide contains the following episodes: Episode 1: Creating the Covenant Relationships with people in our lives are key to faithful living. Covenant is about the family God creates and the power of love that overcomes evil. We are broken and miss the mark. Substitutes for faithful love destroy our relationships. Yet God's response to broken relationships is to restore us to wholeness. Through the shared practice of reading and interpreting the Bible scripture in holy conversation, we sharpen our understandings until they become more accurate and relevant. And we learn about God's gracious love and how to share it with others. Episode 2: Torah—Genesis Genesis answers the question: Who are we in the scheme of things? Covenant relationships are a metaphor for life together before God. This life is characterized by both gift and responsibility. Broken relationships in these stories are countered by forgiveness and generosity. Episode 3: Exodus, Leviticus, Numbers Passover is a bittersweet celebration of Israel's liberation. The covenant at Sinai creates a people with instructions for living in harmony. These instructions are ever in need of reinterpretation in new situations, much like amendments to a constitution. God is holy and calls the people to be distinct and set apart in their faithfulness. Episode 4: Gospels—Matthew and Mark The Gospels are similar to Greco-Roman biographies but with a saving twist. They paint a portrait of Jesus' significance for first-century readers living under Roman rule before and after the destruction of the temple in 70 CE. By arranging the events of his life, death, and resurrection in distinct order, these writers depict Jesus as both the suffering "human one" (Mark) and a new teacher like Moses (Matthew). Jesus comes to bring and embody a new covenant reign (kingdom) of God's saving love in the world. Episode 5: Romans and Galatians The letters of Paul substituted for his presence and represent his attempt to deal with controversies and provide guidance to churches from a pastor's perspective. For Paul, God's grace expressed in Jesus' faithfulness on the cross is a saving gift with no substitutes. The Spirit's presence, too, is a gift that marks the community of faith and produces fruit for faithful life together, making us more gracious to ourselves and others. Episode 6: Hebrews The book of Hebrews is a masterful sermon written by an unknown author to a struggling community. The writer encourages them to live lives of gratitude for God's saving work in Jesus. Hebrews embraces the imagery of sacrifice in the Old Testament to describe Jesus' pioneering cosmic work of redemption. Replacing fear with trust, Jesus—our faithful forerunner—made it possible for us to approach the holy with confident expectation of God's favor. Episode 7: 1 and 2 Corinthians Paul's letters to the church at Corinth address very concrete issues in a culture that honors the freedom of superiors to do as they please. Paul counters this with the mind of Christ, patterned by the logic of self-giving love. This "logic of the cross" balances freedom with Christ-shaped responsibility to live in ways that benefit both self and community. Episode 8: Deuteronomy, Joshua, Judges, 1 Samuel These books retell the story of Israel and its responsibilities as a rescued, covenant people. As they transition to a new life in the promised land, the first commandment (no other gods) is restated positively: love God with all your heart and strength. Life in the land after Moses and Joshua is characterized by a cycle of faithlessness, crisis, cries for help, and temporary rescue. The last tribal chieftain/first prophet Samuel will anoint kings for an unruly people when the real king missing in Israel is God. More Questions?
