Organized Crime: Culture, Markets and Policies May 18 2021 Dina Siegel and Hans Nelen The term ' global organized crime ' has been in use in criminology since the mid 1990s. Even more general and abstract than its daughter-terms (transnational or cross-border organized crime), ' global organized crime ' seems to embrace the activities of criminal groups and networks all around the planet, leaving no geographical space untouched. The term appears to cover the geographical as well as the historical domain: ' global ' has taken on the meaning of ' forever and ever ' . Global organized crime is also associatively linked with ' globalisation ' . The social construction of both terms in scientific discourse is in itself an interesting theme. But perhaps even more interesting, especially for academics trying to conduct empirical research in this area, is the analysis of the symbolic and practical meaning of these concepts. How should criminologists study globalisation in general and global organized crime in

particular? Which instruments and 'theoretical luggage' do they have in order to conduct this kind of research? The aim of this book is not to formulate simple, straightforward answers to these questions, but rather to give an overview of contemporary criminological research combining international, national and local dimensions of specific organized crime problems. The term global organized crime will hardly be used in this respect. In other social sciences, such as anthropology, there is a tendency to get rid of vague and abstract terms which can only serve to confuse our understanding. In our opinion, criminology should follow this initiative.

Shadow Aug 21 2021 Author of War Horse, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.

Hazel's Phantasmagoria May 30 2022 Hazel, the heroine, travels to her Aunt's country house for a holiday. Her Aunt is bitter, angry and rude, so Hazel expects her stay to be a nightmare - little does she expect, though, that there are actual nightmares living in the garden. These creatures - scary amalgams of different animals such as gorillas and leopards - haunt her Aunt every night in her dreams with horrific scenarios. Much to her surprise Hazel is drawn into their world of creating and rehearsing these nightmares. With her new social circle consisting of gorillas crossed with leopards, pythons crossed with porcupines, ducks who smoke cigarettes, wooden-headed dogs and murderers and lunatics Hazel finds herself exploring the scariest depths of the unknown and learns a useful lesson along the way about the nature of friendship. The lively, exciting and fast-paced narrative and quick humour makes this book an addictive read.

Pivot Point Sep 09 2020 Perfect for fans of Sliding Doors, Kasie West's riveting novel Pivot Point follows a girl with the power to see her potential futures. Addison Coleman's life is one big "What if?" As a Searcher, a special type of clairvoyant, whenever Addie is faced with a choice, she is able to look into the future and see both outcomes. So when her parents tell her they are getting a divorce and she has to pick who she wants to live with, a Search has never been more important. In one future Addie is living with her mom in the life she's always known and is being pursued by the most popular guy in school. In the other she is the new girl in school, where she falls for a cute, quiet artist. Then Addie finds herself drawn into a murder investigation, and her fate takes a darker turn. With so much to lose in either future, Addie must decide which reality she's willing to live through . . . and who she's willing to live without.

Ad Martem 12 Sep 21 2021 What does it mean for three guys to be born and live on Mars? Intended to be the first colonizers of the Red Planet, they are human beings but they have never seen the Earth and they have no connection with it. They grow up in an environment that recreates terrestrial situations, but artificially. And as they grow, they wonder... Jordan, Anna and Yan are the young protagonists of a story which ties science fiction to the depth of life and its meaning, adventure to emotion, tension to sweetness. Three "Martians" who want to understand who they are, where they come from and what is their main aim in life. And in order to get it they will come across enthralling and engrossing adventures.

Stargazing Apr 04 2020 Stargazing is a heartwarming middle-grade graphic novel in the spirit of Real Friends and El Deafo, from New York Times bestselling author-illustrator Jen Wang. Moon is everything Christine isn't. She's confident, impulsive, artistic . . . and though they both grew up in the same Chinese-American suburb, Moon is somehow unlike anyone Christine has ever known. But after Moon moves in next door, these unlikely friends are soon best friends, sharing their favorite music videos and painting their toenails when Christine's strict parents aren't around. Moon even tells Christine her deepest secret: that she has visions, sometimes, of celestial beings who speak to her

from the stars. Who reassure her that earth isn't where she really belongs. Moon's visions have an all-too-earthly root, however, and soon Christine's best friend is in the hospital, fighting for her life. Can Christine be the friend Moon needs, now, when the sky is falling? Jen Wang draws on her childhood to paint a deeply personal yet wholly relatable friendship story that 's at turns joyful, heart-wrenching, and full of hope.

A Family's Duty Dec 13 2020 North Camp, a growing Hampshire village, has been briefly energised by the cessation of the Great War and the years of peace that followed. Now, however, with the beginning of the Second World War, the lives of the inhabitants are plunged once more into chaos. Tom Munday, carpenter of the village, is now seventy-two and grandfather to the children of his daughters Grace and Isabel. The stories of a new generation unravel as the girls move into womanhood, coping with family expectations and the budding of first loves, and as the young men are called to active duty, anxious to do their part in the fight. Those left behind on the home front must find ways to adapt to wartime challenges: the return of wounded soldiers, the loss of loved ones, and the arrival of newborns, child evacuees and prisoners of war. And meanwhile, amongst all the horror and adversity, love both illicit and conventional blossoms. A rich tale of strength, courage and romance, A Family's Duty examines the complex interweaving of lives against the backdrop of World War II.

Mi chiamo Silvano Battimiello May 06 2020 Silvano Battimiello è nato nel 1953 a Napoli. Le sue prime esperienze artistiche risalgono alla prima metà degli anni '70 e la sua attenzione è posta soprattutto sulla problematica sociale che il successivo ventennio presenta. In parallelo, a partire dagli anni '80 studia recitazione e recita in numerosi spettacoli. Nel '76 ebbe una intuizione che si rivelerà fondamentale per il progresso del pianeta: il traduttore simultaneo tascabile. Presentata richiesta nel 1977 insieme ad un suo amico inglese, David Lowe e al Prof. John Barron dell'Università di Elettronica di Cambridge, ottennero ufficialmente il brevetto nel 1981. Intanto, in contemporanea al negoziare con le varie aziende la produzione del traduttore, viene assunto a Torino da Poste Italiane in qualità di portalettere. Subito si ritrova ad imbucare nelle cassette degli utenti migliaia e migliaia di dépliant di moltissime grandi aziende che invitavano a comprare la nuova grande invenzione dopo la Torre di Babele: il traduttore simultaneo... Inizia così una incredibile e interminabile ricerca, nel tentativo di farsi riconoscere i diritti di produzione. Catapultato in un mondo più grande di lui, nascosto e preoccupato, timoroso di entrare nel mirino di terroristi senza scrupoli (erano i cosiddetti "anni di piombo" e rapimenti di persone facoltose erano di moda), finisce per vivere in un'altalenante giostra di avvenimenti e incontri bizzarri e disparate emozioni. Raccontando se stesso e l'incredibile vita vissuta, Silvano ci trascina in giro per il mondo, dall'Australia, dove ha trascorso la primissima infanzia, alla Napoli della giovinezza, dilungandosi sul difficile e al contempo esaltante soggiorno oltremarino. Uno sguardo viene puntato anche sulle sue suggestioni mistiche che impregnano completamente le sue tele e sulle sue riflessioni e speculazioni filosofiche e religiose, quelle suggestioni che spesso gli fanno pensare di vivere in un contesto biblico.

Adrenaline Apr 28 2022 'He is skilful. He is outspoken. He is Zlatan' New York Times 'He is an amazing talent, one of the best around' Pep Guardiola Football's most prolific and controversial goalscorer has nothing left to prove on the pitch. There is only one Zlatan. In the decade since his megaselling memoir I am Zlatan Ibrahimovic, he has played at Paris Saint-Germain (2012-2016), Manchester United (2016-2018), LA Galaxy (2018-2019) and Milan (2020-). This outrageous and hilarious follow-up is bursting with personal confessions and revealing anecdotes about the world's best players and managers. Packed with revelations, in Adrenaline we hear for the first time what Zlatan really thinks about his time in the Premier League and what it was like to score that glorious bicycle kick against England. We hear about the club he very nearly signed for, and see his hilarious run-ins with the French media - and the French in general, really. Plus so much more. Zlatan transports you into the world of top-flight football like no one else. Filled with revelations - including Zlatan's life lessons on happiness, friendship and love - you'll be talking about this book a long time after finishing it.

Language Hacking Italian Feb 12 2021 It's true that some people spend years studying Italian before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of Italian, #LanguageHacking shows you how to learn

and speak Italian through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in Italian from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Mi chiamo Rigoberta Menchù Oct 30 2019 Per la prima volta nella storia del Centroamerica, una donna india prende la parola per denunciare le persecuzioni e le umiliazioni secolari del suo popolo, ma anche per rivelare con grande intensità la vita materiale e la cultura ancestrale degli ultimi discendenti dei Maya. Le pagine di questo libro conservano il fascino sinuoso del racconto orale, perché la voce di Rigoberta, Premio Nobel per la pace nel 1992, trascorre dall'autobiografia al mito, dalla memoria collettiva alla denuncia politica, dal rito religioso alla rivelazione dei fondamenti materiali e culturali del popolo quiché.
