I am, as in all things WEELICIOUS, sold."—Jennifer Garner Trusted family food expert and Weelicious founder serves up almost 100 transformative recipes for nourishing and delicious smoothies Weelicious founder Catherine McCord is an expert recipe developer who helps families eat healthfully and deliciously. When her son started suffering from chronic nausea and her family doctors couldn't help, McCord turned to her experience with nutrition for an answer, researching until she discovered a surprisingly simple solution—smoothies. She shared her family's story and some of her favorite smoothie recipes on social media, and the Smoothie Project, a daily online source of inspiration, was born. People began to use her recipes and share how smoothies had become a force of change in their lives, too. Years of witnessing the positive effects that smoothies can offer inspired McCord to create a smoothie bible packed with almost 100 of her favorite, tried-and-tested recipes. With guidance from top nutritionists, McCord also explains how to eat based on your age and details the health benefits of key smoothie ingredients, so you can: • Reduce stress and anxiety • Lose weight • Control ADHD symptoms • Boost your immune system • Improve digestion • Increase your energy • Eat to support pregnancy or breastfeeding • Have beautiful, strong skin, hair, and nails • Encourage kids to eat nutritious foods • And more... McCord offers a way to change your life in just twenty-eight days, using only your blender.
