Putin v. the People Sep 29 2019 A fascinating, bottom-up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think What do ordinary Russians think of Putin? Who are his supporters? And why might their support now be faltering? Alive with the voices and experiences of ordinary Russians and elites alike, Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics. Telling the story of Putin's rule through pivotal episodes such as the aftermath of the

"For Fair Elections" protests, the annexation of Crimea, and the War in Eastern Ukraine, Greene and Robertson draw on interviews, surveys, social media data, and leaked documents to reveal how hard Putin has to work to maintain broad popular support, while exposing the changing tactics that the Kremlin has used to bolster his popularity. Unearthing the ambitions, emotions, and divisions that fuel Russian politics, this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears.

*Lori and Max* Dec 13 2020 'This thrilling, funny, perceptive detective story is in a class of its own.' The Times Children's Book of the Week 'A wittily told detective story about two eccentric and endearing girls - it's a real page-turner.' Jacqueline Wilson Absolutely wonderful! Nina Stibbe Lori wants to be a detective, but so far the most exciting mystery she has solved is the disappearance of her nan's specs down the side of the sofa. Max is the new girl at school and Lori is asked to look after her. Max is odd. She doesn't fit in - but then, Lori realises, she doesn't really fit in either. When some charity money goes missing and Max disappears, Lori seems to be the only person who doesn't think Max has stolen it and run away. Even the police don't want to investigate and suddenly Lori finds she has a real crime on her hands.

The Mysterious Benedict Society and the Perilous Journey Sep 02 2022 The fearsome foursome is back in the second installment of the New York Times bestselling series praised by Rick Riordan! The Mysterious Benedict Society is up against a new mission, significantly closer to home. After reuniting for a celebratory scavenger hunt, Reynie, Kate, Sticky, and Constance are forced to go on an unexpected search--a search to find Mr. Benedict. It seems that while he was preparing the kids' adventure, he stepped right into a trap orchestrated by his evil twin Mr. Curtain. With only one week to find a captured Mr. Benedict, the gifted foursome faces their greatest challenge of all--a challenge that will reinforce the reasons they were brought together in the first place and will require them to fight for the very namesake that united them.

*The Mysterious Benedict Society and the Riddle of Ages* Nov 11 2020 The brilliant and beloved gang from the New York Times bestselling series is back! The Mysterious Benedict Society is a modern classic, drawing comparisons to J.K. Rowling and Roald Dahl, named a Time magazine "Best Young Adult Book of All Time," and selling over three million copies. Some time has passed since the inimitable quartet of Reynie, Sticky, Kate, and Constance have had a mission together. But with the arrival of a new Society member -- and a new threat -- they must reunite to face dilemmas more dangerous than ever before, including the villainous Mr. Curtain and a telepathic enemy tracking their every move, not to mention a dramatically preteen Constance. In its triumphant return, the Society encounters all new challenges, but the series' trademark sly humor, sweet camaraderie, hairsbreadth escapes, and mind-bending puzzles are all as engaging as ever. Fans of the series will be thrilled to see the Society has grown up a little with them, while a new generation of readers will fall in love with these irresistible adventures.

**The Extraordinary Education of Nicholas Benedict** Apr 16 2021 Before there was a Mysterious Benedict Society there was

simply a nine-year-old orphan named Nicholas Benedict. When Nicholas is sent to a new orphanage, he encounters vicious bullies, selfish adults - and a mystery that could change his life for ever. On his quest to solve the mystery, Nicholas finds enemies around every corner, but also friends in unexpected places - and discovers along the way that the greatest puzzle of all is himself.

*A Perilous Journey of Danger and Mayhem #2: The Treacherous Seas* Jul 28 2019 The second book in the new adventure trilogy from the beloved author of *The Hero's Guide to Saving Your Kingdom*. It's 1883—only a few months after Molly Pepper; her mother, Cassandra; and her friend, Emmett, saved New York from an attack by the megalomaniacal Ambrose Rector while managing to preserve the reputations of Alexander Graham Bell and Thomas Edison, whose technology was manipulated in Rector's scheme. Their selfless heroism will finally earn them a place in the Inventors' Guild, alongside the greatest minds of their generation. Unless, of course, no one knows that they did any of that. Left with nothing but empty promises and a struggling pickle shop after the government chooses to cover up the crisis, Molly, Cassandra, and Emmett have no idea where to turn—until they learn of a daring expedition to the South Pole, where an meteorite of mysterious power is embedded, and where Emmett's father, explorer and ship captain Wendell Lee, disappeared years ago. With the fate of the world hanging in the balance, our heroes commandeer an experimental seacraft to make their play on the pole. But the trip is more treacherous than they realize, and there's no guarantee that they will return successful—if they even return at all.

Can Samuel thwart the Germans and rescue his family? Aligned to Common Core standards and correlated to state standards. Spellbound is an imprint of Magic Wagon, a division of ABDO.

*Guyland* Apr 04 2020 One of the most eminent scholars and writers on men and masculinity and the author of the critically acclaimed *Manhood in America* turns his attention to the culture of guys, aged 16 to 26: their attitudes, their relationships, their rules, and their rituals. "Kimmel is our seasoned guide into a world that, unless we are guys, we barely know exists. As he walks with us through dark territories, he points out the significant and reflects on its meaning."—Mary Pipher, Ph.D., author of *Reviving Ophelia* The passage from adolescence to adulthood was once clear. Today, growing up has become more complex and confusing, as young men drift casually through college and beyond—hanging out, partying, playing with tech toys, watching sports. But beneath the appearance of a simple extended boyhood, a more dangerous social world has developed, far away from the traditional signposts and cultural signals that once helped boys navigate their way to manhood—a territory Michael Kimmel has identified as "Guyland." In mapping the troubling social world where men are now made, Kimmel offers a view into the minds and times of America's sons, brothers, and boyfriends, and he works toward redefining what it means to be a man today—and tomorrow. Only by understanding this world and

this life stage can we enable young men to chart their own paths, stay true to themselves, and emerge safely from Guyland as responsible and fully formed male adults.

[The Promise of the Grand Canyon](#) May 06 2020 "A convincing case for Powell's legacy as a pioneering conservationist."--The Wall Street Journal "A bold study of an eco-visionary at a watershed moment in US history."--Nature A timely, thrilling account of the explorer who dared to lead the first successful expedition down the Colorado through the Grand Canyon—and waged a bitterly-contested campaign for sustainability in the West. John Wesley Powell's first descent of the Colorado River through the Grand Canyon in 1869 counts among the most dramatic chapters in American exploration history. When the Canyon spit out the surviving members of the expedition—starving, battered, and nearly naked—they had accomplished what others thought impossible and finished the exploration of continental America that Lewis and Clark had begun almost 70 years before. With *The Promise of the Grand Canyon*, John F. Ross tells how that perilous expedition launched the one-armed Civil War hero on the path to becoming the nation's foremost proponent of environmental sustainability and a powerful, if controversial, visionary for the development of the American West. So much of what he preached—most broadly about land and water stewardship—remains prophetically to the point today.

The Mysterious Benedict Society and the Perilous Journey (2020 Reissue) Oct 03 2022 Book 2 in the New York Times bestselling series! 'This book reminded me of some of the children's books I grew up with, like Charlie and the Chocolate Factory and The Phantom Tollbooth.' RICK RIORDAN, author of the PERCY JACKSON series on book 1 It should have been a celebration party, but now it's another mind-bending mission for the children of the Mysterious Benedict Society. Join Reynie, Kate, Sticky and Constance, as they race across the globe by train, bicycle and ship to save their beloved Mr Benedict. It's a perilous journey that will test all their unusual talents ...

Perilous Waif Aug 28 2019 My name is Alice Long, and I've always known I was different. When I was little I used to climb up to the highest branches of the housetree at night, and watch the starships docking at the orbital stations high above. Forty meters off the ground, watching ships thirty thousand kilometers overhead, with senses that could pick out radar pings and comm chatter as easily as the ships themselves. It all seemed perfectly natural at the time. There were other kids with mods at the orphanage, but nothing like that. I learned fast to downplay my abilities, keep my mouth shut and try to blend in. Even as a kid I knew not to trust the Matrons. What would they do, if they realized the Adjustments that were supposed to make me a meek little herd animal didn't do anything? Then I messed up, and gave myself away. Now I'm on the run, hoping against hope that the Matrons won't try too hard to find me. Hoping to survive all the awful things that can happen to a girl on her own in space. Kidnappers, slavers, pirates and yakuza - no matter where I go, trouble always seems to find me. Good thing I'm not as helpless as

I look.

Perilous Partners Jan 02 2020 American leaders have cooperated with regimes around the world that are, to varying degrees, repressive or corrupt. Such cooperation is said to serve the national interest. But these partnerships also contravene the nation's commitments to democratic governance, civil liberties, and free markets. During the Cold War, policymakers were casual about sacrificing important values for less-than-compelling strategic rationales. Since the 9/11 attacks, similar ethical compromises have taken place, although policymakers now seem more selective than their Cold War-era counterparts. Americans want a foreign policy that pursues national interests while observing American values. How might that reconciliation of interest and morality be accomplished? In Perilous Partners, authors Ted Galen Carpenter and Malou Innocent provide a strategy for resolving the ethical dilemmas between interests and values faced by Washington. They propose maintaining an arm's-length relationship with authoritarian regimes, emphasizing that the United States must not operate internationally in ways that routinely pollute American values. It is a strategy based on ethical pragmatism, which is the best way to reconcile America's strategic interests and its fundamental values. Perilous Partners creates a strategy for conducting an effective U.S. foreign policy without betraying fundamental American values.

Perilous Medicine Jun 26 2019 Leonard Rubenstein--a human rights lawyer who has investigated atrocities around the world--offers a gripping and powerful account of the dangers health workers face during conflict and the legal, political, and moral struggle to protect them. He shares the stories of people who have been attacked while seeking to serve patients.

The Mysterious Benedict Society and the Riddle of Ages Aug 01 2022 The brilliant and beloved gang from the New York Times bestselling series is back -- and ready to face new threats, dangerous dilemmas, and irresistible adventures. The Mysterious

Benedict Society is a modern classic, drawing comparisons to J.K. Rowling and Roald Dahl, named a Timemagazine "Best Young Adult Book of All Time," and selling over three million copies. [Perilous Bounty](#) Mar 16 2021 New York Times Book Review Editors' Choice An unsettling journey into the disaster-bound American food system, and an exploration of possible solutions, from leading food politics commentator and former farmer Tom Philpott. More than a decade after Michael Pollan's game-changing *The Omnivore's Dilemma* transformed the conversation about what we eat, a combination of global diet trends and corporate interests have put American agriculture into a state of "quiet emergency," from dangerous drought in California--which grows more than 50 percent of the fruits and vegetables we eat--to catastrophic topsoil loss in the "breadbasket" heartland of the United States. Whether or not we take heed, these urgent crises of industrial agriculture will define our future. In *Perilous Bounty*, veteran journalist and former farmer Tom Philpott explores and exposes the small handful of seed and pesticide corporations, investment funds, and magnates who benefit from the trends that imperil us, with on-the-ground dispatches featuring the scientists documenting the damage and the farmers and activists who are

valiantly and inventively pushing back. Resource scarcity looms on the horizon, but rather than pointing us toward an inevitable doomsday, Philpott shows how the entire wayward ship of American agriculture could be routed away from its path to disaster. He profiles the farmers and communities in the nation's two key growing regions developing resilient, soil-building, water-smart farming practices, and readying for the climate shocks that are already upon us; and he explains how we can help move these methods from the margins to the mainstream.

**A Perilous Path** Jun 06 2020 A no-holds-barred, red-hot discussion of race in America today from some of the leading names in the field, including the bestselling author of *Just Mercy* This blisteringly candid discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and

oppression, these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as “the commonality of pain,” “when lawyers are heroes,” and the concept of an “equality dividend” that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, Ifill, Lynch, Stevenson, and Thompson also explore topics such as “when did ‘public’ become a dirty word” (hint, it has something to do with serving people of color), “you know what Jeff Sessions is going to say,” and “what it means to be a civil rights lawyer in the age of Trump.” Building on Stevenson’s hugely successful *Just Mercy*, Lynch’s national platform at the Justice Department, Ifill’s role as one of the leading defenders of civil rights in the country, and the occasion of Thompson’s launch of a new center on race, inequality, and the law at the NYU School of Law, *A Perilous Path* will speak loudly and clearly to everyone concerned about America’s perpetual fault line.

**The Secret Keepers** Aug 21 2021 When Reuben discovers an old pocket watch, he soon realizes it holds an incredible power: it can turn you invisible for fifteen minutes. And the watch's power is even more extraordinary than he knows. Soon, he's on the run from a despot determined to possess it for himself ...

*Holiness in an Unholy Society* Jan 14 2021 In a world filled with destruction and moral decay, *Holiness in an Unholy Society* is a relevant book for our time, which gives a snapshot of where we are in our society. It is a spiritual call to believers to take a stand for righteousness. It moves you to think about where we are and

encourages you to commend your heart back to God.

**Welcome to the Revolution** Mar 04 2020 When the Women's March gathered millions just one day after Trump's inauguration, a new era of progressive action was born. Organizing on the far Right led to Trump's election, bringing authoritarianism and the specter of neo-fascism, and intensifying corporate capitalism's growing crises of inequality and injustices. Yet now we see a new universalizing resistance among progressive and left movements for truth, dignity, and a world based on democracy, equality, and sustainability. Derber offers the first comprehensive guide to this new era and an original vision and strategy for movement success. He convincingly shows how only a new universalizing wave, a progressive and revolutionary "movement of movements," can counter the world-universalizing economic and cultural forces of intensifying corporate and far-right power. Derber explores the crises and eroding legitimacy of the globalized capitalist system and the right wing movements that helped create the Trump era. He shows how left universalizing movements can—and must—converge to propel a mass base that can prevent societal, economic, or ecological collapse, stop a resurgent Right, and build a democratic social alternative. He describes tactics and strategies for this new progressive movement. Brief guest "interludes" by Medea Benjamin, Noam Chomsky, Ralph Nader, Bill Fletcher, Juliet Schor, Gar Alperovitz, Chuck Collins, Matt Nelson, Janet Wallace, and other prominent figures tell how to coalesce and universalize activism into a more powerful movement wave—at local, community, national, and international levels. Vivid and highly accessible, this book is for activists, students, and all citizens concerned about the erosion of justice and democracy. It thoroughly illuminates the rationale, theory, practice, humanism, love, and joy of the social transformation that we urgently need.

**The Mysterious Benedict Society** Oct 23 2021 "Are you a gifted child looking for special opportunities?" When this peculiar

ad appears in the newspaper, dozens of children enroll to take a series of mysterious, mind-bending tests. (And you, dear reader, can test your wits right alongside them.) But in the end just four very special children will succeed. Their challenge: to go on a secret mission that only the most intelligent and resourceful children could complete. To accomplish it they will have to go undercover at the Learning Institute for the Very Enlightened, where the only rule is that there are no rules. As our heroes face physical and mental trials beyond their wildest imaginations, they have no choice but to turn to each other for support. But with their newfound friendship at stake, will they be able to pass the most important test of all? Welcome to the Mysterious Benedict Society.

**Cultural Producers In Perilous States** Sep 09 2020 Ten innovative interviews explore how producers of documentary media—filmmakers, journalists, and artists—located in societies considered marginal to the high-tech global centers respond to local and international audiences in creating their works. We meet a South African playwright who is shaping a distinctive form of activist journalism; a New Guinean producer who manages several media careers; Polish and German filmmakers developing critical documentaries on compromised new orders; a Columbian artist who provides powerful representations of endemic violence in her society; and writers from Martinique and Argentina with varied careers in the arts, media, and politics who provide tragicomic accounts of the marginal situations of their societies. Cynical, hopeful, ambivalent all at once, these cultural producers

in perilous states share a keen awareness of the marginality of their societies in the broader context of global change, and associate integrity in the reporting of local events with a critical politics of representation.

**Perilous States** Dec 01 2019 Encompassing a range of disciplines—notably anthropology, politics, history, comparative

literature, and philosophy—the unprecedented annual publication Late Editions exposes unsettling dilemmas and unprecedented challenges facing cultural studies on the brink of the twenty-first century. Successive volumes will appear annually until the year 2000, each engaging the predicaments of particular institutions, nations, and persons at this point of social, cultural, and political change. The project will test the limits of scholarly conventions by finding new ways to expose cultural formations emerging from the maturation or exhaustion of once-powerful ideas whose validity is now deeply in question. Perilous States, the first volume of Late Editions, presents conversations between American scholars, most of whom are anthropologists, and individuals situated amidst political and social upheaval. Pimarily but not exclusively from Eastern Europe, the cast includes Russian writers, Hungarian scientists and academics, Armenian politicians, Siberian religious and medical leaders, a Gypsy leader, a Polish poet, a French politician, and a white South African musician who is a self-styled Zulu. Their voices unite around themes of democracy, market economy, individual rights, and the reawakened force of suppressed ethnic and racial identities. To obtain fresh perspectives on these cultural and social transformations, the volumes will consist of in-depth conversations, relayed in essay form, between scholars and individuals in other cultures with whom they share affinities. This novel approach blends the immediacy of interviews, the objectivity of journalism, and the intellectual rigor of scholarship. Contributors to this volume are Marjorie Balzer, Sam Beck, David B. Coplan, Michael M. J. Fischer, Nia Georges, Bruce Grant, Douglas R. Holmes, Stella Gregorian, George E. Marcus, Kathryn Milun, Eleni Papagaroufali, Paul Rabinow, Julie Taylor, and Tom White.
