But first she must confront, face-to-face, the terrible demons of her past--and her struggle to forgive the man who radically altered her future. Though widely admired, Captain Karl Martensen feels no depth of emotion for any of the women with whom his life becomes uncomfortably entangled. He has only tender memories of the love he once lost--a love who, by the grace of God, he may just find again. Witness the glorious conclusion of The Northern Lights Trilogy as four bound by friendship journey out of the shadow of their darkest days into the bright future awaiting them in the land of the Midnight Sun.

Her narrative skill is supreme.”—Chicago Tribune “Pure entertainment at its sublime, wholly exhilarating best.”—Los Angeles Times “Readers who fell in love with little Ayla will no doubt revel in her prehistoric womanhood.”—People “Lively and interesting, enhanced greatly by the vividly colored backdrop of early humanity . . . Auel is a prodigious researcher.”—The Washington Post Book World “Among modern epic spinners, Auel has few peers. . . . She deftly creates a whole world, giving a sense of the origins of class, ethnic, and cultural differences that alternately divide and fascinate us today.”—Kirkus Reviews (starred review)

Survival of the Fittest Aug 21 2021 Five tribes. One leader. A treacherous journey across three continents in search of a new home. Written in the spirit of Jean Auel, *Survival of the Fittest* is an unforgettable saga of hardship and determination, conflict and passion. Chased by a ruthless enemy, Xhosa leads her People on a grueling journey through unknown and dangerous lands following a path laid out decades before by her father, to be followed only as a last resort. George R. R. Martin's A Game of Thrones 5-Book Boxed Set (Song of Ice and Fire Series) Mar 04 2020 For the first time, all five novels in the epic fantasy series that inspired HBO's *Game of Thrones* are together in one eBook bundle. An immersive entertainment experience unlike any other, *A Song of Ice and Fire* has earned George R. R. Martin—dubbed “the American Tolkien” by *Time* magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: *A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS* “One of the best series in the history of fantasy.”—*Los Angeles Times* Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—*The New York Times*

Still, Moloquin will not be deterred in his quest, and he will stand courageously against all enemies, court untold disaster, sacrifice what he must, and remake his entire world to see his great vision gloriously realized. One of today's foremost historical novelists, Cecelia Holland explores the strange and enduring mystery of Stonehenge, one of the true wonders of the ancient and modern world. The Camel Bookmobile Aug 09 2020 Fiona Sweeney wants to do something that matters, and she chooses to make her mark in the arid bush of northeastern Kenya. By helping to start a traveling library, she hopes to bring the words of Homer, Hemingway, and Dr. Seuss to far-flung tiny communities where people live daily with drought, hunger, and disease. Her intentions are honorable, and her rules are firm: due to the limited number of donated books, if any one of them is not returned, the bookmobile will not return. But, encumbered by her Western values, Fi does not understand the people she seeks to help. And in the impoverished small community of Mididima, she finds herself caught in the middle of a volatile local struggle when the bookmobile's presence sparks a dangerous feud between the proponents of modernization and those who fear the loss of traditional ways.

The Mammoth Hunters Jun 30 2022 Once again Jean M. Auel opens the door of a time long past to reveal an age of wonder and danger at the dawn of the modern human race. With all the consummate storytelling artistry and vivid authenticity she brought to *The Clan of the Cave Bear* and its sequel, *The Valley of Horses*, Jean M. Auel continues the breathtaking epic journey of the woman called Ayla. Riding Whinney with Jondalar, the man she loves, and followed by the mare's colt, Ayla ventures into the land of the Mamutoi--*The Mammoth Hunters*. She has finally found the Others she has been seeking. Though Ayla must learn their different customs and language, she is adopted because of her remarkable hunting ability, singular healing skills, and uncanny fire-making technique. Bringing back the single pup of a lone wolf she has killed, Ayla shows the way she tames animals. She finds women friends and painful memories of the Clan she left behind, and meets Ranec, the dark-skinned, magnetic master carver of ivory, whom she cannot refuse--inciting Jondalar to a fierce jealousy that he tries to control by avoiding her. Unfamiliar with the ways of the Others, Ayla misunderstands, and thinking Jondalar no longer loves her, she turns more to Ranec. Throughout the icy winter the tension mounts, but warming weather will bring the great mammoth hunt and the mating rituals of the Summer Meeting, when Ayla must choose to remain with Ranec and the Mamutoi, or to follow Jondalar on a long journey into an unknown future.

Hurlled back in time by forces she cannot understand, Claire's destiny is soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. Sorcerer's Moon Jan 26 2022 Julian May concludes her Boreal Moon Tale with the story of a weak king forsaken by his heir, a son who cannot condone his father's ruthlessness, and a kingdom facing collapse by forces from without and within. The Salka are launching an audacious attack to seize the heart of High Blenholme, and King Conrig, his magical powers and sanity fading, is once again preparing to use the foulest Beaconfolk sorcery to counter the monsters' massive invasion. As his kingdom faces collapse, King Conrig's only chance for peace lies deep in the past. His former spy, Deveron Austrey, has secret magical powers—and no love for the Beaconfolk. But while the King's first wife is largely unremembered, she has not forgotten that her son Orion is the true heir to the throne of High Blenholme.

The Invisible Sex Dec 13 2020 Shaped by cartoons and museum dioramas, our vision of Paleolithic times tends to feature fur-clad male hunters fearlessly attacking mammoths while timid women hover fearfully behind a boulder. Recent archaeological research has shown that this vision bears little relation to reality. J. M. Adovasio and Olga Soffer, two of the world's leading experts on perishable artifacts such as basketry, cordage, and weaving, present an exciting new look at prehistory. With science writer Jake Page, they argue that women invented all kinds of critical materials, including the clothing necessary for life in colder climates, the ropes used to make rafts that enabled long-distance travel by water, and nets used for communal hunting. Even more important, women played a central role in the development of language and social life—in short, in our becoming human. In this eye-opening book, a new story about women in prehistory emerges with provocative implications for our assumptions about gender today.

Living with the Clan has taught Ayla many skills but not real hunting. She finally knows she can survive when she traps a horse, which gives her meat and a warm pelt for the winter, but fate has bestowed a greater gift, an orphaned foal with whom she develops a unique kinship. Beyond the Sea of Ice Dec 25 2021 Stunningly visual, extraordinarily detailed, powerfully dramatic, here is the first volume of a remarkable new series . . . The First Americans. When humans first

walked the world, when nature ruled the earth and sky, a proud tribe is threatened by a series of natural disasters. A bold young hunter named Torka, who lost his wife and child to a killer mammoth, leads the survivors over the glacial tundra on a desperate eastward odyssey to save their clan. Through attacks of savage animals and encounters with strangers not unlike themselves, they must brave the hardships of a foreign landscape and learn to live in an exotic new world of mystery and danger. They must travel toward the land where the sun rises for a new day for their clan—and an awesome future for the American.

The Plains of Passage (with Bonus Content) May 30 2022 Ayla, the heroine first introduced in *The Clan of the Cave Bear*, is known and loved by millions of readers. Now, in *The Plains of Passage*, Ayla's story continues. Ayla and Jondalar set out on horseback across the windswept grasslands of Ice Age Europe. To the hunter-gatherers of their world—who have never seen tame animals—Ayla and Jondalar appear enigmatic and frightening. The mystery surrounding the woman, who speaks with a strange accent and talks to animals with their own sounds, is heightened by her uncanny control of a large, powerful wolf. The tall, yellow-haired man who rides by her side is also held in awe, not only for the magnificent stallion he commands, but also for his skill as a crafter of stone tools, and for the new weapon he devises, the spear-thrower. In the course of their cross-continental odyssey, Ayla and Jondalar encounter both savage enemies and brave friends. Together they learn that the vast and unknown world can be difficult and treacherous, but breathtakingly beautiful and enlightening as well. All the pain and pleasure bring them closer to their ultimate destination, for the orphaned Ayla and the wandering Jondalar must reach that place on earth they can call home. As sweeping and spectacular as the land she creates, Jean M. Auel's *The Plains of Passage* is an astonishing novel of discovery, danger, and love, a triumph for one of the world's most original and popular authors.
